Statement of Intent
 HB 798

A statement of intent is required of this bill because section 6 gives the Department of Social and Rehabilitation Services rulemaking authority.

It is intended that the department establish general relief standards, scope, duration, and amount that may not exceed medicaid or AFDC program services. Such items should be in accord with rules adopted by the department for county department under 53-3-301 so that departmental benefits are comparable to those of counties.

The department may also make rules governing transfer of functions between the department and the county. It is contemplated such rules would cover administrative provisions such as forms, deadlines, and financial certifications as may be needed to implement the bill. Other necessary administrative type rules governing rental payments, employees and functions formerly administered by a county would also be addressed.

Committee attached the following statement of intent:

Statement of Intent
HB 765

A statement of intent is necessary for this bill because it directs the Public Service Commission to adopt rules governing the installation of cost-effective conservation measures and the reflection of those measures in a utility's rate base. The commission must adopt criteria and standards for:

- (1) allowable conservation measures from an engineering standpoint;
- (2) cost-effectiveness;
- (3) on-site energy audits;
- (4) conservation corresponding to end-use of energy that a utility provides;
- (5) inspections;
- (6) inclusion of conservation in a utility's rate base;
- (7) other procedures necessary to implement this act.

In adopting cost-effectiveness and engineering criteria, the commission is directed to consult with the Department of Natural Resources and Conservation and with Montana's representatives to the Northwest Power Council.

It is not the intent of the legislature to allow grants from the Bonneville Power Administration for purposes of conservation to be placed in the rate base.

The Honorable Pat Williams, U.S. Congressman, addressed the members of the House.

Speech by U.S. Representative Pat Williams
before the Montana House
February 21, 1983

Thank you, Speaker Kemmis. I always appreciate, as do my colleagues in the Montana congressional delegation, the invitation to address friends here in the state legislature.

It is sixteen years ago that I served in the state House. The two terms I spent here were the most vigorous and exciting legislative experience of my life. Yes, even more so than my current service in the United States Congress. I suppose it is the compaction of time and events, the suddenness of the success or failure of one's bills, that create the drama of this place.

I am not convinced, however, that the public is fully aware that the excitement of your jobs is out-paced by the difficulty of them. The long hours, the late night sessions, the enormous legislative burden strains concentration and limits adequate consideration. You are to be commended for both your perseverance and willingness. However, I believe that fully adequate, prudent, thoughtful legislating requires annual legislative sessions.

Perhaps it is not entirely inappropriate for me, as a member of the congressional delegation, to note that I have heard during this past week, considerable discussion and controversy from here concerning the appropriateness of partisanship. Of course, we all understand that partisanship has its limits. Each of us — particularly us — must also understand that partisanship has its uses and those uses have served Montanans and Americans well; for they have preserved debate, focused discussion, suppressed political camouflage and prevented political autonomy.

Two years ago when I spoke to you, I said this: "Everyone must demand, as Republicans have always done, that our tax dollars be spent for programs that run efficiently and effectively. And, everyone must demand, as Democrats have always done, that this nation not retreat from its long commitment to social and economic justice." At that time, I told you that I supported a weeding of our national garden of public programs and expenditures. Reaganomics was about to be put into place. The federal deficit stood at approximately \$55 billion. I said to you then, if you will again permit me the luxury of quoting myself: "All of us — Republicans, Democrats and Independents — must realize that Americans are not fools. They know that government simply cannot reduce taxes by 30%, increase defense spending by \$30 billion or more, and balance the federal budget all at one and the same time."

Today, 24 months later, the federal deficit has doubled and the White House is projecting that it will nearly double again within the next year.

My friends, this is the seventh recession since World War II. The others averaged only eleven months in duration. Each time recovery was rapid. Those economic rebounds did not happen by accident. Always before, when the government spotted a recession, it moved quickly to stimulate the economy and to bring down interest rates. This time, for the first time, government has refused to act and the recession has been allowed to become deep, prolonged, and deadly. We are all pleased that the president has now agreed to discuss a phase one economic assistance and jobs package and a supplemental appropriation to this current fiscal year.

As a member of the House Budget Committee, I want you to know that I intend to do all I can to assure that this coming budget also provides the additional stimulation we need to climb more quickly out of these hard times while moving toward decreased deficits in the out years.

And, by the way, decreased deficits mean prudent, reasoned, assimilable growth for the military. As vast as is our nation's military, and despite its breadth and depth, in my judgement, its throat is not big enough to reasonably accept the 600 thousand dollars per minute which the administration is trying to cram down.

Now, if you will permit me to use my final few minutes to appeal to you as one of your Montana constituents, I would like to make a couple of requests of you.

It is my belief that Montana, America needs good reliable passenger transportation. As you know, you are faced with the decision to return the

southern route Amtrack train to Montana. I hope you will give that full and adequate consideration. Perhaps the quality of a nation's rail passenger service is in some regard, a measure of that nation's pace and civility.

While on the subject of railroads, I remind you that this September 8th is the centennial observance of an important event to Montana and the nation. On September 8th, 1883 the golden spike was driven, linking the Great Lakes with the states and territories westward to the Pacific. With the completion of the Northern Pacific, America's northwest was opened to settlement and commerce. That linkage, the golden spike ceremony, took place not far from here near Deer Lodge.

A request has been made of your joint committee on long range building to provide a small appropriation to assure that Montana can appropriately celebrate this important historical event.

I know, of course, that you are experiencing severe budget constraints; however, this centennial opportunity comes but once and I'm hopeful you will be of assistance.

On another matter, I agree with those fifty-five thousand Montana school children who want the grizzly bear as our state animal.

And finally, a word about coal slurry. The word is caution.

I have watched with considerable interest the growing debate here in the state legislature over the question of selling Montana water. In Congress I have fought for Montana's right to control water within our boundaries. I have fought against legislation to force coal slurry lines on arid western states. It is from this perspective that I respectfully offer some observations on the issue of coal slurry.

Recently, Secretary of Interior Watt appeared before the House Interior Committee to discuss his budget proposals for FY84. When asked what he saw as the most important issue facing his department in the coming decade, he responded, "water". Jim Watt and I agree. There is no issue in the west that can compare with the importance of water policy in deciding how we live and prosper.

The voices in Montana calling for water sales to bolster state coffers are accurately reflecting the growing pressures on water use in the west. With federal dollars dwindling, each state will be looking for ways to maintain their services. I support Montana's right to make that decision, but in our haste to capture revenue, I hope we will not lose sight of the wider issues.

On a federal level, coal slurry companies have lobbied the congress for years to grant them the right of federal eminent domain. This ultimate power would mean the construction of a national coal slurry system which would be extremely water intensive. Legislation to grant eminent domain to slurry companies is currently pending before both the national House and Senate.

It is clear that this legislation will have an enormous impact on western water use. This concern is based on my belief that water price wars in the west would encourage polarization of states and seriously limit needed cooperation. The sponsors of the federal slurry legislation continually seek to allay the fears of westerners through water amendments, purporting to protect states rights to allocate water. The backers of slurry have pursued that strategy, but unfortunately, the U.S. Supreme Court has not cooperated and has placed all state water export bans in jeopardy. Sporhase v. Nebraska recognized water as a commodity of interstate commerce and therefore subject to free trade. It also recognized congress' ultimate right

to control water. Recent lower court rulings in New Mexico have backed the Supreme Court's decision against "water export bans".

This congress will again consider coal slurry legislation. I am hopeful that congress will be unwilling to increase pressure on western water policy before there has been enough time for congress and state legislatures to address the questions now being raised by the courts.

The Supreme Court in its Sporhase decision, threatens the assumption that a state may reserve for beneficial use within its borders, the waters that have been equitably apportioned to it. The legal network of state water export statutes and interbasin agreements are meaningless without the beneficial use assumption. The court may have struck at a vital attribute of state sovereignty: the power to conserve and allocate water resources among its citizens.

Given the serious implications to Montana of the court's decision, and the fact that the court encouraged legislative prescription, I will, this week, ask for congressional hearings to begin the process of addressing the fundamental water rights issues raised by the court.

Until the matter of state authority has been resolved, it is, I believe, unwise for either this body or the congress to create law encouraging coal slurry pipelines.

I urge you to proceed very cautiously. We will find it is far easier to open the water spigot than it will be to shut it off.

I'm very appreciative of the opportunity to visit with you and I wish you well in your continued deliberations.

Insert: "Section 3. Child abuse and neglect prevention and intervention grant program. There is a grant program established within the department of social and rehabilitation services for the allocation of grant money to local child abuse and neglect prevention and intervention programs.

Section 4. Duties of the department — rules. The department:

- (1) may use state funds as a match for federal funds if required;
- (2) may spend no more than 5% of the appropriated funds for administrative costs of the program;
- (3) may conduct research and compile statistics relating to abused and neglected children and their families;
- (4) shall accept federal funds that may be available for use in carrying out the provisions of this part; and
- (5) shall adopt rules necessary to carry out the purposes of this part.

Section 5. Authorized grantees — criteria for grants. (1) The department may award child abuse and neglect prevention and intervention grants only to programs which are locally controlled. Grants may be awarded to governmental or nongovernmental agencies or persons.

(2) Child abuse and neglect prevention and intervention grants are to be awarded on the following basis:

- (a) demonstrated need;
- (b) project merit;
- (c) community support;
- (d) administrative design; and
- (e) efficiency of administration.

Section 6. Authorized services and programs of grantees. Grants may be awarded to government and nongovernment agencies or persons for prevention and intervention programs for abused and neglected children and their families. Such programs may include but are not limited to:

- (1) preventing child abuse and neglect;
- (2) preventing out-of-home placement of abused and neglected children when possible;
- (3) providing in-home services to families;
- (4) providing services to abused and neglected children and their families;
- (5) building and strengthening self-help groups which address child abuse and neglect issues;

(6) training which will enhance the capabilities of agencies, families, and communities in the prevention and treatment of child abuse and neglect.

Section 7. Review and award of grants. (1) Grant applications submitted in accordance with rules adopted to carry out the purposes of this part will be reviewed and awards made by a committee created by the department which must include two members who are not employees of the department.

(2) The services authorized in subsection (1) may be provided on a regional basis by a local child abuse and neglect prevention or intervention program within the regional boundaries established by the department if authorized to do so by the review committee.

Section 8. Funding. (1) Revenue from the children's trust fund provided in [sections 1 and 2] is the source of funding for the child abuse and neglect prevention and intervention grant program.

(2) Twenty percent of the operational costs of a child abuse and neglect prevention and intervention grant program must come from the local community served by the grant. The local contribution may include in-kind contributions.

Section 9. Rulemaking authority. The department of revenue may adopt rules to implement the provisions of [section 1]."

Committee attached the following statement of intent:

Statement of Intent
HB 663

A statement of intent is required for this bill because it grants rulemaking authority to the Department of Social and Rehabilitation Services (SRS) to administer the state plan on aging.

Section 2 states that the purpose of the bill is to grant the Department authority to develop and administer the state plan on aging, to coordinate services to the aged pursuant to the federal Older Americans Act and to establish or redesignate planning and service areas to facilitate the implementation of the Older Americans Act.

Section 2 further states that it is the intent of the legislature that the number of planning and service areas be limited so that unnecessary administrative costs are eliminated.

It is the legislature's intent that the Department's rulemaking authority be limited to the following areas:

(1) Designation and method of designation every 4 years of not less than 7 and not more than 10 planning and service areas.

(2) Designation of area agencies to administer the planning and service areas.

(3) Statement of purposes of an area agency.

(4) Standards for contents of an area plan, for review and approval of the plan and for changing an area plan.

(5) Standards for establishment of an area agency advisory council.

HB 708, introduced bill, be amended as follows:

1. Page 1, line 23.

Following: "recipient, the"

Insert: "size and"

And, as amended, do pass. Report adopted.

Committee attached the following statement of intent:

Statement of Intent
HB 708

A statement of intent is required for this bill because section 1 grants the Department of Social and Rehabilitation Services rulemaking authority relating to eligibility and administration of the low income energy assistance program.

It is intended that the Department will follow federal guidelines and regulations in establishing the program. It is expected that the Department will vary eligibility and grant amounts to reflect appropriations available and number of persons to be served. The low income energy program is expected to be available evenly statewide, with substate entities administering the program relating to eligibility determination and outreach with the Department administering vendor payment policies and direct administrative activities at the local level to insure statewide program consistency.

HB 782, introduced bill, be amended as follows:

Strike: "masters of"

Following: "social work"

Insert: "examiners"

And, as amended, do pass. Report adopted.

Committee attached the following statement of intent:

Statement of Intent
HB 782

It is intended that the Board of Behavioral Science promulgate the rules proposed by professional boards under it. The Board will not change proposed rules but accept or reject such rules based upon Board discretion.

All rules promulgated by the Board therefore must be subject to statements of intent and statutory implementation of the professional boards. No substantive rules would originate in the Board of Behavioral Science.

(1)(2) The provisions of this chapter relating to the operation of vehicles refer exclusively to the operation of vehicles upon highways except:

(a) where a different place is specifically referred to in a given section;

(b) the provisions of 61-8-301 and 61-8-401, with regard to operating a vehicle while under the influence of drugs, shall apply upon highways and elsewhere throughout the ways of the state open to the public.

(2) The operation of motor vehicles directly across the public roads and highways of this state, especially as required in the transportation of natural resource products, including agricultural products and livestock, shall not be considered to be the operation of such vehicles on the public roads and highways of this state provided that such crossings are adequately marked with warning signs or devices. Such crossings are subject to provisions relating to stopping before entry and to restoration of any damage as may reasonably be

prescribed by the state or local agency in control of safety of operation of the public highway involved."

Section 3. Section 61-8-401, MCA, is amended to read:

"61-8-401. Persons under the influence of alcohol or drugs. (1) It is unlawful and punishable as provided in 61-8-714(1) for any person who is under the influence of:

(a) alcohol to drive or be in actual physical control of a motor vehicle upon the highways ways of this the state open to the public;

(b) a narcotic drug to drive or be in actual physical control of a motor vehicle within this state; or

(c) any other drug to a degree which renders him incapable of safely driving a motor vehicle to drive or be in actual physical control of a motor vehicle within this state.

(2) The fact that any person charged with a violation of subsection (1) is or has been entitled to use such a drug under the laws of this state does not constitute a defense against any charge of violating subsection (1).

(3) In any criminal prosecution for a violation of subsection (1) of this section relating to driving a vehicle while under the influence of alcohol, the amount of alcohol in the defendant's blood at the time alleged, as shown by chemical analysis of the defendant's blood, urine, breath, or other bodily substance, shall give rise to the following presumptions:

(a) If there was at that time 0.05% or less by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was not under the influence of alcohol.

(b) If there was at that time in excess of 0.05% but less than 0.10% by weight of alcohol in the defendant's blood, that fact shall not give rise to any presumption that the defendant was or was not under the influence of alcohol but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant.

(c) If there was at that time 0.10% or more by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was under the influence of alcohol.

(4) Percent by weight of alcohol in the blood shall be based upon grams of alcohol per 100 cubic centimeters of blood.

(5) Each municipality in this state is given authority to enact 61-8-714 and subsections (1) through (4) of this section with the word "state" in subsection (1) of this section changed to read "municipality", as an ordinance and is given jurisdiction of the enforcement of the ordinance and of the imposition of the fines and penalties therein provided."

Section 4. Section 61-8-402, MCA, is amended to read:

"61-8-402. Chemical blood, breath, or urine tests. (1) Any person who operates a motor vehicle upon the public highways ways of this the state open to the public shall be deemed to have given consent, subject to the provisions of 61-8-401, to a chemical test of his blood, breath, or urine for the purpose of determining the alcoholic content

of his blood if arrested by a peace officer for driving or in actual physical control of a motor vehicle while under the influence of alcohol. The test shall be administered at the direction of a peace officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle upon the public highways ways of this the state open to the public, while under the influence of alcohol. The arresting officer may designate which one of the aforesaid tests shall be administered.

(2) Any person who is unconscious or who is otherwise in a condition rendering him incapable of refusal shall be deemed not to have withdrawn the consent provided by subsection (1) of this section.

(3) If a person under arrest refuses upon the request of a peace officer to submit to a chemical test designated by the arresting officer as provided in subsection (1) of this section, none shall be given, but the division, upon the receipt of a sworn report of the peace officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways ways of this the state open to the public, while under the influence of alcohol and that the person had refused to submit to the test upon the request of the peace officer, shall suspend the license or driving privilege of such person on the highways of this state for a period of 60 days in accordance with subsection (4).

(4) Suspension under this section must be for the following time periods:

(a) If the person's driving record shows no prior refusals to submit to a chemical test pursuant to this section, his license must be suspended for 60 days.

(b) If the person's driving record shows a prior refusal to submit to a chemical test pursuant to this section, his license must be suspended for 1 year. Like refusal by a nonresident shall be subject to suspension by the division in like manner. All such suspensions are subject to review as hereinafter provided."

Section 5. Section 61-8-403, MCA, is amended to read:

"61-8-403. Right of appeal to court. The division shall immediately notify any person whose license or privilege to drive has been suspended, as hereinbefore authorized, in writing and such person shall have the right to file a petition within 30 days thereafter for a hearing in the matter in the district court in the county wherein such person shall reside. Such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing upon 30 days' written notice to the county attorney of the county wherein the appeal is filed and such county attorney shall represent the state, and thereupon the court shall take testimony and examine into the facts of the case, except that the issues shall be limited to whether a peace officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle upon the public highways ways of the state open to the public, while under the influence of alcohol, whether the person was placed under arrest, and whether such person refused to submit to the test. The court shall thereupon determine whether the petitioner is entitled to a license or is subject to suspension as heretofore provided."

Section 6. Section 61-8-404, MCA, is amended to read:

"61-8-404. Evidence admissible. (1) Upon the trial of any criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a motor vehicle while under the influence of alcohol, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown by a chemical analysis of his blood, breath, or urine is admissible.

(2) If the person under arrest refused to submit to the test as hereinabove provided, proof of refusal shall be admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle upon the public highways ways of the state open to the public while under the influence of alcohol.

(3) The provisions of this part do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of alcohol."

Statement of Intent

HB 100

(1) A statement of intent is required for this bill because it grants rulemaking authority to the Montana economic development board in section 16. These rules will include definitions of small- and medium-sized businesses, a method of commitment of funds to financial institutions, setting service fees for loans, defining types of permissible investments, and procedural rules to govern the board's proceedings.

(2) It is the intent of the legislature that:

(a) the definitions of small- and medium-sized business be based on either the number of employees of the business, the level of capitalization of the business, or a combination of these factors;

(b) the method of committing funds to financial institutions be similar to the method utilized by the board of housing for committing funds for housing developments to financial institutions;

(c) the level of service fees be set to cover the costs associated with processing the investment and be similar to those charged by financial institutions;

(d) the permissible investments adopted by rules be based on the long-term benefit to the Montana economy and adhere to the prudent-man rule. The investments should be aimed at diversifying, strengthening, and stabilizing the Montana economy and increasing employment opportunities while maintaining and improving a clean and healthful environment; and

(e) the procedural rules be based on the Attorney General's model rules.

Committee attached the following statement of intent:

Statement of Intent
HB 685

A Statement of Intent is required for House Bill 685 because it grants rulemaking authority to the Department of Commerce to implement the act.

It is the intention of the legislature that the tax credits herein provided be applied only in the case of properly qualified investments. It is therefore the intention of the legislature that the department of commerce, in making rules to define a small business, use whatever means necessary to arrive at a definition of small business which takes into account the unique nature of Montana small business. It is similarly the intention of the legislature that in the development of rules for certification and qualification of capital companies, the department shall take into account the capital needs of the state based upon such information made available to it on its own initiative and through such hearings as are necessary to achieve the purposes of the act. It is further the intention of the legislature that in determining such rules as are necessary to carry out the examination functions of the act, the department shall take into account commonly

accepted principles of financial institution examinations currently in use in the examination of banks and other such institutions. It is further the intention of the legislature that the rules authorized in the act be adopted in a timely fashion.

Committee attached the following statement of intent:

Statement of Intent

HB 700

A statement of intent is required for House Bill 700 because it provides rulemaking authority for the Montana economic development board in Section 21 of the bill.

It is the intention of the legislature that in implementing the rulemaking provisions of the bill, the board will examine the procedures used in other states to take advantage of proven methods of soliciting and reviewing applications for loans. It is further the intention of the legislature that the board will maintain close contact and solicit the opinions of the investment businesses in Montana and the financial institutions of the state. It is further the intention of the legislature that in the examination of the rules provided for assessment of a collection of fees in connection with its programs, the board shall make a concerted effort to consider not only the needs of the board, but the needs of the potential borrowers of the state and the general need for capital investment in Montana. Where possible, the board shall use proven methods of operation which have been provided through the experience of other boards in the state and the experience of other states. The rules should also provide for a local hearing to be held to determine whether a proposed project is in the public interest.

Committee attached the following statement of intent:

Statement of Intent
HB 721

A statement of intent is required for this bill because it grants the Health Facility Authority the power to adopt rules to administer this chapter. The Legislature intends that these rules include:

- (1) procedural rules to govern the Authority;
- (2) procedures for assessing applications;
- (3) the establishment of fees to be charged by health institutions using the procedures of the authority; and
- (4) procedures for determining the eligibility of a facility.

The legislature declares that the purpose of this bill is health care cost containment. By making this bonding authority available, the legislature intends that health care costs will be contained by reducing the costs of facilities and equipment so that these savings may be passed on to consumers.

The board may borrow from and deposit in the municipal finance guaranty fund up to \$2.5 million from any available state fund, including funds of the Montana board of housing.

(2) The amounts in the fund must be used to satisfy any claim resulting from a defaulted loan, lease, or other credit agreement. The amounts in the fund may also be used for any other purpose prescribed by the board in accordance with guaranty contracts with

financial institutions entered into pursuant to [sections 1 through 29], including without limitation the protection of the interest of the board in projects during periods of delinquency or upon default.

(3) The minimum reserve requirement for the municipal finance guaranty fund must be such amount as may be provided in an agreement, resolution, or indenture with the holders of bonds issued under [sections 1 through 29], but not in excess of the aggregate annual payments due under the loans, leases, or other credit agreements guaranteed by the board. No loan, lease, or other credit agreement may be guaranteed by the board if the amount of money available in the municipal finance guaranty fund would be less than the minimum reserve requirement.

(4) In order to assure the maintenance of the municipal finance guaranty fund, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the municipal finance guaranty fund to the minimum reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the municipal finance guaranty fund to the minimum reserve requirement.

(5) All amounts remitted to the board under this section constitute loans to the board and must be repaid to the state treasury without interest from available operating revenues of the board in excess of amounts required for the guarantee of loans."

(4) "Financial institution" means any bank, savings and loan association, credit union, development credit corporation, insurance company, investment company, trust company, savings institution, or other financial institution approved by the board and maintaining an office in the state.

(5) "Project" means a project as defined in 90-5-101.

(6) "Project costs" means the costs of acquiring or improving any project, including the following:

(a) the actual cost of acquiring or improving real estate for any project;

(b) the actual cost of construction of all or any part of a project, including architects' and engineers' fees;

(c) all expenses in connection with the authorization, sale, and issuance of the bonds to finance such acquisition or improvement;

(d) bond reserves and premiums for insurance or guaranty of loan payments or lease rentals pledged to pay the bonds; and

(e) the interest on such bonds for a reasonable time prior to construction, during construction, and not exceeding 6 months after completion of construction.

NEW SECTION. Section 2. Powers of the board. The board may:

- (1) sue and be sued;
- (2) have a seal;
- (3) adopt all procedural and substantive rules necessary for the administration of [sections 1 through 26];
- (4) make contracts, agreements, and other instruments necessary or convenient for the exercise of its powers under [sections 1 through 26];
- (5) invest any funds not required for immediate use, as the board considers appropriate, subject to any agreements with its bondholders and noteholders;
- (6) arrange for lines of credit from and enter into participation agreements with any financial institution;
- (7) issue bonds for the purpose of defraying the cost of acquiring or improving any project or projects and securing the payment of the bonds as provided in [sections 1 through 26];
- (8) enter into agreements or other transactions with and accept grants and the cooperation of any governmental agency in furtherance of [sections 1 through 26];
- (9) sell, purchase, or insure loans to finance the costs of projects;
- (10) accept services, appropriations, gifts, grants, bequests, and devises and utilize or dispose of them in carrying out [sections 1 through 26];
- (11) enter into agreements or other transactions with a federal agency, an agency or instrumentality of the state, a municipality, a private organization, or any other entity or organization in carrying out [sections 1 through 26];
- (12) with regard to property:
 - (a) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise;
 - (b) hold, sell, assign, lease, encumber, mortgage, or otherwise dispose of such property;
 - (c) hold, sell, assign, or otherwise dispose of any lease, mortgage, or loan owned by it or in its control or custody;
 - (d) release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption;
 - (e) make any disposition by public or private sale, with or without public bidding;
 - (f) commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement;
 - (g) bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure;

(h) operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests or the holders of its bonds or notes, provided such action is consistent with any agreement with such holders;

(13) service, contract, and pay for the servicing of loans;

(14) provide financial analysis and technical assistance where considered appropriate;

(15) consent, whenever it considers necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, and payment of any installment of principal, interest, security, or any other term of any contract, lease agreement, loan agreement, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

(16) collect reasonable interest, fees, and charges in connection with making and servicing its lease agreements, loan agreements, mortgage loans, notes, bonds, commitments, and other evidences of indebtedness. Interest, fees, and charges are limited to the amounts required to pay the costs of the board, including operating and administrative expenses and reasonable allowances for losses that may be incurred.

(17) procure insurance or guaranties in amounts and in the form the board considers desirable or necessary, from any party, including a governmental agency, against any loss in connection with its lease agreements, loan agreements, mortgage loans, and other assets or property; and

(18) perform any other acts necessary and convenient to carry out the purposes of the board and [sections 1 through 26].

NEW SECTION. Section 3. Financing programs of the board.

(1) The board may:

(a) invest in, purchase or make commitments to purchase, and take assignment from financial institutions of notes, mortgages, loan agreements, and other securities evidencing loans for the acquisition, construction, reconstruction, or improvement of projects located in the state, under terms and conditions determined by the board;

(b) acquire, by construction, purchase, devise, gift, lease, or any combination of methods, from financial institutions, projects located in the state and lease such projects to others for such rentals and upon such terms and conditions as determined by the board; or

(c) make loans to financial institutions, under terms and conditions determined by the board, requiring the proceeds to be used by the financial institution for the purpose of financing the acquisition, construction, reconstruction, or improvement of projects located in the state.

(2) The board may not operate any project as a business or in any other manner except as the lessor thereof or as may be necessary for a temporary period through the enforcement of its rights under a lease, loan agreement, or other security agreement.

NEW SECTION. Section 4. Bonds and notes for major projects.

(1) The board may by resolution issue negotiable notes and bonds in a principal amount as the board determines necessary to provide

sufficient funds for achieving any of its purposes, including the payment of interest on notes and bonds of the board, establishment of reserves to secure the notes and bonds, including the reserve funds created under [section 13], and all other expenditures of the board incident to and necessary or convenient to carry out [sections 1 through 26].

(2) The board may by resolution, from time to time, issue notes to renew notes and bonds or to pay notes, including interest, and whenever it considers refunding expedient, refund any bonds by the issuance of new bonds, whether or not the bonds to be refunded have matured, or issue bonds partly to refund bonds outstanding and partly for any of its other purposes.

(3) Except as otherwise expressly provided by resolution of the board, every issue of its bonds is an obligation of the board payable out of any revenue, assets, or money of the board, subject only to agreements with the holders of particular notes or bonds pledging particular revenues, assets, or money.

(4) The notes and bonds shall be authorized by resolutions of the board, bear a date, and mature at the times the resolutions provide. A note may not mature more than 5 years from the date of its issue. A bond may not mature more than 40 years from the date of its issue. The bonds may be issued as serial bonds payable in annual installments, as term bonds, or as a combination thereof. The notes and bonds shall bear interest at a stated rate or rates or at a rate or rate determination as stated, be in denominations, be in a form, either coupon or registered, carry registration privileges, be executed in a manner, be payable in a medium of payment, at places inside or outside the state, and be subject to terms of redemption as provided in resolutions. The notes and bonds of the board may be sold at public or private sale, at prices above or below par, as determined by the board, and in a manner such that interest on the bonds is either exempt from or subject to federal income tax.

(5) The bonds issued under [sections 1 through 26] are exempt from the Montana Securities Act, but copies of all prospectus and disclosure documents must be deposited with the state securities commissioner for public inspection.

(6) The total amount of bonds outstanding at any one time for major projects, except bonds as to which the board's obligations have been satisfied and discharged by refunding or bonds for which reserves for payment or other means of payment have been provided, may not exceed \$50 million.

NEW SECTION. Section 5. Bond anticipation notes — issuance — payment of principal and interest. (1) The board may, pending the issuance of bonds, issue temporary notes in anticipation of the proceeds to be derived from the sale of the bonds. The notes shall be designated as "bond anticipation notes". The proceeds of the sale of the bond anticipation notes must be used only for the purpose for which the proceeds of the bonds could be used, including costs of issuance. If, prior to the issuance of the bonds, it becomes necessary to redeem outstanding notes, additional bond anticipation notes may be issued to redeem the outstanding notes. No renewal of any note may be issued after the sale of bonds in anticipation of which the original notes were issued.

(2) Bond anticipation notes or other short-term evidences of indebtedness maturing not more than 3 years after the date of issue may be issued from time to time as the proceeds thereof are needed. The notes must be authorized by the board and must have such terms and details as may be provided by resolution of the board. However, each resolution of the board authorizing notes must:

(a) describe the need for the proceeds of the notes to be issued; and

(b) specify the principal amount of the notes or maximum principal amount of the notes which may be outstanding at any one time, the rate or rates of interest or maximum rate of interest or interest rate formula (to be determined in the manner specified in the resolution authorizing the notes to be incurred through the issuance of such notes), and the maturity date or maximum maturity date of the notes.

(3) Subject to the limitations contained in this section and the standards and limitations prescribed in the authorizing resolution, the board in its discretion may provide for the notes described in subsection (2) to be issued and sold, in whole or in part, from time to time. The board may delegate to the administrator of the board the power to determine the time or times of sale, the manner of sale, the amounts, the maturities, the rate or rates of interest, and such other terms and details of the notes as considered appropriate by the board or the administrator in the event of such delegation. The board in its discretion but subject to the limitations contained in this section may also provide in the resolution authorizing the issuance of notes for:

(a) the employment of one or more persons or firms to assist the board in the sale of the notes;

(b) the appointment of one or more banks or trust companies, either inside or outside the state of Montana, as depository for safekeeping and as agent for the delivery and payment of the notes;

(c) the refunding of the notes from time to time, without further action by the board, unless and until the board revokes such authority to refund; and

(d) such other terms and conditions as the board considers appropriate.

(4) In connection with the issuance and sale of notes as provided in this section, the board may arrange for lines of credit with any bank, firm, or person for the purpose of providing an additional source of repayment for notes issued pursuant to this section. Amounts drawn on such lines of credit may be evidenced by negotiable or nonnegotiable notes or other evidences of indebtedness, containing such terms and conditions as the board may authorize in the resolution approving the same.

NEW SECTION. Section 6. Provisions of bond resolutions. A resolution authorizing notes or bonds or any issue thereof may contain provisions, which must be a part of the contract or contracts with the holders thereof, as to:

(1) pledging all or any part of the revenue or property of the board to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;

- (2) pledging all or any part of the assets of the board, including lease agreements, loan agreements, mortgages, and obligations securing them, to secure the payment of the notes or bonds or of any issue thereof, subject to existing agreements with noteholders or bondholders;
- (3) the use and disposition of the gross income from lease agreements, loan agreements, and mortgages owned by the board, and the payment of the principal of mortgages owned by the board;
- (4) the setting aside of reserves for sinking funds in the hands of trustees, paying agents, and other depositories and the regulation and disposition thereof;
- (5) limitations on the purpose for which the proceeds of the sale of notes or bonds may be applied and the pledge of the proceeds to secure the payment of the bonds or of any issue thereof;
- (6) limitations on the issuance of additional notes or bonds, the terms upon which additional notes or bonds may be issued and secured, and the refunding of outstanding notes or bonds;
- (7) the procedure, if any, by which the terms of any contract with noteholders or bondholders may be amended or abrogated, the amount of notes or bonds the holders of which shall consent thereto, and the manner in which such consent may be given;
- (8) a commitment to employ adequate and competent personnel at reasonable compensation; to set salaries, fees, and charges as may be determined by the board in conjunction with the department; and to maintain suitable facilities and services for the purpose of carrying out its programs;
- (9) vesting in a trustee such property, rights, powers, and duties in trust as the authority determines to be necessary;
- (10) defining the acts or omissions that shall constitute a default in the obligations and duties of the board to the holders of the notes or bonds and providing for the rights and remedies of the holders of the notes or bonds in the event of such default, including as a matter of right the appointment of a receiver; and
- (11) any other matters of like or different character that in any way affect the security or protection of the holders of the notes or bonds.

NEW SECTION. Section 7. Personal liability. The board and employees of the department are not personally liable or accountable by reason of the issuance of or on any bond or note issued by the board.

NEW SECTION. Section 8. Purchase of notes and bonds — cancellation. The board may, subject to existing agreements with noteholders or bondholders and out of any funds available for that purpose, purchase notes or bonds of the board, which shall then be canceled, at a price not exceeding:

- (1) the current redemption price plus accrued interest to the next interest payment if the notes or bonds are then redeemable; or
- (2) the redemption price applicable on the first date after the purchase on which the notes or bonds become subject to redemption, plus accrued interest to that date, if the notes or bonds are not then redeemable.

NEW SECTION. Section 9. Trust indenture. (1) In the discretion of the board, the bonds may be secured by a trust indenture between the board and a corporate trustee, which may be a trust company or bank having the power of a trust company, either inside or outside the state. A trust indenture may contain provisions for protecting and enforcing bondholders' rights and remedies that are reasonable, proper, and not in violation of law, including covenants setting forth the duties of the authority in relation to the exercise of its powers and the custody, safeguarding, and application of all money. The authority may provide by a trust indenture for the payment of the proceeds of the bonds and revenues to the trustee under the trust indenture of another depository and for the method of disbursement, with the safeguards and restrictions it considers necessary.

(2) All expenditures incurred in carrying out a trust indenture may be treated as part of the operating expenses of the board.

NEW SECTION. Section 10. Negotiability of bonds. Notes and bonds issued by the board are negotiable instruments under the Uniform Commercial Code, subject only to the provisions for registration of notes and bonds.

NEW SECTION. Section 11. Signatures of board members. If board members whose signatures appear on notes, bonds, or coupons cease to be members before the delivery of the notes or bonds, their signatures shall nevertheless be valid and sufficient for all purposes the same as if the members had remained in office until delivery.

NEW SECTION. Section 12. Accounts. The board may create funds and accounts necessary to complement [sections 1 through 26]. The funds and accounts may include:

- (1) a bond proceeds fund into which bond proceeds are deposited;
- (2) a common bond fund consisting of:
 - (a) a common debt service account;
 - (b) a capital reserve account as provided in [section 15]; and
 - (c) an operating account for defraying the operational costs of the board; and
- (3) other funds or accounts.

NEW SECTION. Section 13. Reserve funds and appropriations. (1) The board may establish a capital reserve account and pay into it any:

- (a) funds appropriated and made available by the state for the purpose of the account;
- (b) proceeds of the sale of notes or bonds to the extent provided in the resolutions or indentures of the board authorizing their issuance; and
- (c) other funds which may be available to the board from any other source for the purpose of the account.

(2) All funds held in the capital reserve account must be used solely for the payment of the principal of or interest on the bonds secured in whole or in part by the account or the sinking fund payments with respect to the bonds, the purchase or redemption of the

bonds, the payment of interest on the bonds, or the payment of any redemption premium required to be paid when the bonds are redeemed prior to maturity. Funds in the account may not be withdrawn at any time in an amount that reduces the account to an amount less than the sum of minimum capital reserve requirements established in the resolutions or indentures of the board for the account except, with respect to bonds secured in whole or in part by the account, for the purpose of making payment, when due, of principal, interest, redemption premiums, and sinking fund payments for the payment of which other money pledged is not available. Any income or interest earned by or incremental to the capital reserve account due to its investment may be transferred to other accounts of the board to an extent that does not reduce the amount of the capital reserve account below the sum of minimum capital reserve requirements for the account.

NEW SECTION. Section 14. Maintenance of capital reserve account. (1) In order to assure the maintenance of the capital reserve account, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the capital reserve account to the minimum capital reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the capital reserve account to the sum of minimum capital reserve requirement. All sums appropriated by the legislature shall be deposited in the capital reserve account.

(2) All amounts appropriated to the board under this section constitute advances to the board and, subject to the rights of the holders of any bonds or notes of the board, must be repaid to the state general fund without interest from available operating revenues of the board in excess of amounts required for the payment of bonds, notes, or other obligations of the board, for maintenance of the capital reserve account, and for operating expenses.

NEW SECTION. Section 15. Refunding obligations. The board may provide for the issuance of refunding obligations for refunding any obligations then outstanding that have been issued under [sections 1 through 26], including the payment of any redemption of the obligations. The issuance of obligations, the maturities and other details, the rights of the holders, and the rights, duties, and obligations of the authority are governed by the appropriate provisions of [sections 1 through 26] that relate to the issuance of obligations. The proceeds of refunding obligations may be applied to the purchase, redemption, or payment of outstanding obligations. Pending the application of the proceeds of refunding obligations and other available funds to the payment of principal, accrued interests, and any redemption premium on the obligations being refunded and, if permitted in the resolution authorizing the issuance of the refunding obligations or in the trust agreement securing them, to the payment of interest on refunding obligations and expenses in connection with refunding, the proceeds may be invested in such securities as the board considers appropriate.

NEW SECTION. Section 16. Tax exemption of bonds. Bonds, notes, or other obligations issued by the board under [sections 1 through 26] and their transfer and income (including any profits made on their sale) are free from taxation by the state or any political subdivision or other instrumentality of the state, except for

inheritance, estate, and gift taxes. The board is not required to pay recording or transfer fees or taxes on instruments recorded by it.

NEW SECTION. Section 17. Project guaranty program. (1) The board may guarantee and make commitments to guarantee payment required by a loan, lease, or other credit arrangement for any project funded under [sections 1 through 26] or under 90-5-101 through 90-5-112, upon such terms and conditions as the board may prescribe in accordance with [sections 1 through 26]. In administering the guaranty program, the board may require the payment of a fee or premium, establish application fees, and prescribe application, notification, contract and guaranty forms, rules, regulations, and guidelines.

(2) Guaranties by the board under [sections 1 through 26] must:

(a) be made for a project which the board finds meets the policies and objectives of [sections 1 through 26];

(b) be made to an applicant for a guaranty approved by the board;

(c) contain amortization provisions satisfactory to the board; and

(d) be in such principal amount, be in such form, and contain such terms and provisions with respect to payment of property insurance, repairs, alterations, taxes, assessments, delinquency charges, and default remedies as the board determines to be necessary.

(3) The board is authorized from time to time to enter into guaranties, insurance contracts, or any other agreements or contracts with respect to the economic development guaranty fund and any guaranteed loan lease or other credit agreement. Any such agreement or contract may contain terms and provisions necessary or desirable in connection with the guaranty program, subject to the requirements established, including without limitation terms and provisions relating to loan documentation, review, approval procedures, origination and servicing rights and responsibilities, default obligations, procedures and obligations, and obligations with respect to guaranty contracts made under [sections 1 through 26].

(4) Any contract of guaranty made by the board under the authorization of [sections 1 through 26] must provide that claims payable thereunder must be paid from any amounts available in the economic development guaranty fund and from any amounts available under the terms of any applicable contract or agreement with the financial institution which originated the guaranteed loan. The obligation of the board to make payments under any such contract is limited solely to such sources and does not constitute a debt or liability of the state. Any guaranty contract and any rule, regulation, or guideline of the board implementing the guaranty program may contain such other terms, provisions, or conditions as the board considers necessary or appropriate, including without limitation those relating to the payment of guaranty premiums, the giving of notice, claim procedure, the sources of payment for claims, the priority of competing claims for payment, the release or termination of loan security and borrower liability, the timing of payment, the maintenance and disposition of projects and the use of amounts received during periods of loan delinquency or upon default, and any other provision concerning the rights of insured parties or conditions to the payment of guaranty claims. Any premiums for the guarantee of loan payments under the provisions of [sections 1 through 26] may

be determined on such basis and be payable by such person in such amounts and at such times as the board determines, and the amount of the premium need not be uniform among the various loans, leases, or other credit agreements guaranteed.

NEW SECTION. Section 18. Economic development guaranty fund. (1) The board shall create an economic development guaranty fund. The fund must be held by a trustee or other fiduciary designated by the board. There must be deposited into the fund amounts, insurance fees, premiums, and such other revenues and assets as the board considers necessary to comply with any contract or agreement entered into by the board under [sections 1 through 26]. The board may borrow from and deposit in the economic development guaranty fund up to \$2.5 million from any available state fund, including funds of the Montana board of housing.

(2) The amounts in the fund must be used to satisfy any claim resulting from a defaulted loan, lease, or other credit agreement. The amounts in the fund may also be used for any other purpose prescribed by the board in accordance with guaranty contracts with financial institutions entered into pursuant to [sections 1 through 26], including without limitation the protection of the interest of the board in projects during periods of delinquency or upon default.

(3) The minimum reserve requirement for the economic development guaranty fund must be such amount as may be provided in an agreement, resolution, or indenture with the holders of bonds issued under [sections 1 through 26], but not in excess of the aggregate annual payments due under the loans, leases, or other credit agreements guaranteed by the board. No loan, lease, or other credit agreement may be guaranteed by the board if the amount of money available in the economic development guaranty fund would be less than the minimum reserve requirement.

(4) In order to assure the maintenance of the economic development guaranty fund, the chairman of the board shall, on or before September 1 in each year preceding the convening of the legislature, deliver to the governor a certificate stating the sum, if any, required to restore the economic development guaranty fund to the minimum reserve requirement. The governor shall include in the executive budget submitted to the legislature the sum required to restore the economic development guaranty fund to the minimum reserve requirement.

(5) All amounts remitted to the board under this section constitute loans to the board and must be repaid to the state treasury without interest from available operating revenues of the board in excess of amounts required for the guarantee of loans.

NEW SECTION. Section 19. Adoption of rules. (1) The board shall adopt rules to establish:

(a) procedures for soliciting and evaluating applications and for notifying the local government of the application for purposes of complying with [section 24]; and

(b) a system for evaluating applications, considering the following criteria:

(i) the applicant's net worth;

(ii) the applicant's training and experience in the industry involved in the proposed project;

- (iii) the applicant's prospects for succeeding in the proposed project;
- (iv) the degree to which the new or increased business resulting from the loan will meet the objectives of [section 2]; and
- (v) any other factors the board may prescribe.

(2) The board shall adopt rules for the:

- (a) organization, approval, standards, and regulation of project applicants;
- (b) approval, standards, and regulation of financial institutions under [sections 1 through 26];
- (c) assessment, collection, and payment of all fees and charges in connection with making, purchasing, and servicing of its bonds and notes, mortgage lending, construction lending, temporary lending, and guaranty programs; and
- (d) such other matters as the board considers necessary or desirable.

NEW SECTION. Section 20. Pledge of the state. In accordance with the constitutions of the United States and the state of Montana, the state pledges that it will not in any way impair the obligations of any agreement between the board and the holders of notes and bonds issued by the board, including but not limited to an agreement to administer a loan program financed by the issuance of bonds and to employ a staff sufficient and competent for this purpose.

NEW SECTION. Section 21. Credit of state not pledged. Obligations issued under the provisions of [sections 1 through 26] do not constitute a debt, liability, obligation, or pledge of the faith and credit of the state but are payable solely from the revenues or assets of the board. An obligation issued under this part must contain on the face thereof a statement to the effect that the state of Montana is not liable on the obligation, the obligation is not a debt of the state, and neither the faith and credit nor the taxing power of the state is pledged to the payment of the principal or interest on the obligation.

NEW SECTION. Section 22. Taxation of projects. (1) Notwithstanding the fact that title to a project may be in the board, such projects are subject to taxation to the same extent, in the same manner, and under the same procedures as privately owned property in similar circumstances if such projects are leased to or held by private interests on both the assessment date and the date the levy is made in that year. Such projects are not subject to taxation in any year if they are not leased to or held by private interests on both the assessment date and the date the levy is made in that year.

(2) When personal property owned by the board is taxed under this section and such personal property taxes are delinquent, levy by warrant for distraint for collection of such delinquent taxes may be made only on personal property against which such taxes were levied.

NEW SECTION. Section 23. Bonds as legal investment. (1) Bonds issued by the board under the provisions of [sections 1 through 26] are securities in which all funds may be legally and properly invested, including capital in the control of or belonging to:

- (a) public officers and public bodies of the state and its political subdivisions;
- (b) insurance companies;
- (c) credit unions, building and loan associations, investment companies, savings banks, banking associations, and trust companies;
- (d) executors, administrators, trustees, and other fiduciaries; and
- (e) pension, profit-sharing, and retirement funds.

(2) Bonds issued under [sections 3 through 26] are securities which may properly and legally be deposited with and received by any state or municipal officer or any agency or municipality of the state for any purpose for which the deposit of bonds or obligations of the state is now or may hereafter be authorized by law.

NEW SECTION. Section 24. Procedure prior to financing projects. (1) The board may finance major projects under [sections 1 through 26] only when it finds that:

- (a) the financing is in the public interest and is consistent with legislative purposes and findings;
 - (b) the financing to be provided by the board for a project does not exceed either \$10 million or 90% of the appraised value of the project, whichever is less;
 - (c) a financial institution will participate in financing the project, either directly or through a letter of credit, to the extent of at least 10% of the financing to be provided by the board;
 - (d) the financing for the project is insured or guaranteed in whole or in part by a private governmental insurer or guarantor, including but not limited to a guaranty by the board pursuant to [section 17]; and
 - (e) adequate provision is made in the loan agreement, lease, or other credit arrangement regarding a project or projects being financed to provide for payment of debt service on bonds of the board issued to finance such project or projects, to create and maintain reserves therefor, and to meet all costs and expenses of issuing and servicing the bonds.
- (2) In order to make the findings as described in subsection (1)(a), a hearing must be conducted in the following manner:
- (a) the city or county in which the project will be located shall be notified, and within 14 days must advise the board if it elects to conduct the hearing; or
 - (b) if no request for a local hearing is received, the board may hold the hearing at a time and place it prescribes.
- (3) If the hearing required by subsection (2) is conducted by a local government, the governing body of the local government must notify the board of its determination of whether the project is in the public interest within 14 days of the completion of the public hearing.
- (4) When a hearing is required either locally or at the state level, notice must be given, at least once a week for 3 weeks prior to the date set for the hearing, by publication in a newspaper of general

circulation in the city or county where the hearing will be held. The notice must include the time and place of the hearing; the general nature of the project; the name of the lessee, borrower, or user of the project; and the estimated cost of the project.

NEW SECTION. Section 25. Validity of pledge. Any pledge made by the board is valid and binding from the time the pledge is made. Revenue, money, or property pledged and received by the board is immediately subject to the lien of the pledge without any physical delivery or further act. The lien of any pledge is valid and binding against all parties having claims of any kind, whether in tort, contract, or otherwise, against the board, irrespective of whether such parties have notice thereof. Neither the resolution nor any other instrument by which a pledge is created is required to be recorded.

NEW SECTION. Section 26. Annual audit. The board's books and records must be audited at least once each fiscal year by or at the direction of the legislative auditor. The actual costs of the audit shall be paid from the board's funds.

NEW SECTION. Section 27. Montana economic development board. (1) There is a Montana economic development board.

(2) The board consists of seven members, who shall be appointed by the governor as prescribed in 2-15-124. The board must be broadly representative of the state, seeking to balance professional expertise and public interest and accountability.

(3) Members must be appointed within 60 days of [the effective date of this act] in accordance with the manner prescribed in 2-15-124.

(4) The board is designated as a quasi-judicial board for the purposes of 2-15-124.

(5) The board is allocated to the department of commerce for administrative purposes only as provided in 2-15-121. The board has authority over its own personnel as provided in [section 28].

NEW SECTION. Section 28. Meetings and acts of the board and personnel. (1) All meetings of the board are open to the public.

(2) All official acts of the board must be taken in a regular or special meeting and by a majority of the board.

(3) All rules adopted by the board must be in accordance with the Montana Administrative Procedure Act.

(4) The board may employ an administrator, who shall have general responsibility for the selection and management of the board's staff and direction of its activities. The administrator serves at the pleasure of the board.

(5) The board may prescribe the duties and annual salary for professional staff positions.

Section 29. Section 90-6-104, MCA, is amended to read:

"90-6-104. General powers of the board. The board may:

- (1) sue and be sued;
- (2) have a seal;

- (3) adopt all procedural and substantive rules necessary for the administration of this part, including rules concerning its mortgage, construction, and temporary lending programs;
- (4) make contracts, agreements, and other instruments necessary or convenient for the exercise of its powers under this part;
- (5) enter into agreements or other transactions with any federal, state, or local governmental agency, any persons, and any domestic or foreign partnership, corporation, association, or organization in carrying out this part;
- (6) enter into agreements under its rules with sponsors, mortgagors, or lending institutions for the purpose of regulating the analysis, planning, development, and management of housing developments financed in whole or in part by the proceeds of its loans or securities and mortgage purchase programs;
- (7) enter into agreements or other transactions with, and accept grants and the cooperation of, any governmental agency in furtherance of this part, including but not limited to the development, leasing, maintenance, operation, and financing of any housing development;
- (8) accept services, appropriations, gifts, grants, bequests, and devises and utilize or dispose of them in carrying out this part;
- (9) acquire real or personal property or any right, interest, or easement therein by gift, purchase, transfer, foreclosure, lease, or otherwise; hold, sell, assign, lease, encumber, mortgage, or otherwise dispose thereof; hold, sell, assign, or otherwise dispose of any mortgage or loan owned by it or in its control or custody; release or relinquish any right, title, claim, interest, easement, or demand, however acquired, including any equity or right of redemption; do any of the foregoing by public or private sale, with or without public bidding; commence any action to protect or enforce any right conferred upon it by any law, mortgage, contract, or other agreement; bid for and purchase property at any foreclosure or other sale or acquire or take possession of it in lieu of foreclosure; and operate, manage, lease, dispose of, and otherwise deal with such property in any manner necessary or desirable to protect its interests and the holders of its bonds or notes and consistent with any agreement with such holders;
- (10) service and contract and pay for the servicing of loans;
- (11) provide general technical services in the analysis, planning, design, processing, construction, rehabilitation, and management of housing developments for persons and families of lower income where these services are not otherwise available;
- (12) provide general consultative services to housing developments for persons and families of lower income and the residents thereof with respect to counseling and training in management, home ownership, and maintenance where these services are not otherwise available;
- (13) invest any funds not required for immediate use, subject to any agreements with its bondholders and noteholders, as provided in Title 17, chapter 6, except all investment income from funds of the board less the cost for investment as prescribed by law shall be deposited in the housing finance account;

(14) sell its loans or securities to the federal national mortgage association or any other agency or instrumentality of the United States and invest in the capital stock issued by the association or other agency or instrumentality to the extent, if any, required as a condition of such sale;

(15) consent, whenever it deems it necessary or desirable in fulfilling its purposes, to the modification of the rate of interest, time, and payment of any installment of principal or interest, security, or any other term of any contract, mortgage, mortgage loan, mortgage loan commitment, construction loan, advance contract, or agreement of any kind, subject to any agreement with bondholders and noteholders;

(16) collect reasonable interest, fees, and charges in connection with making and servicing its loans, notes, bonds, commitments, and other evidences of indebtedness and in connection with providing technical, consultative, and project assistance services. Interest fees and charges shall be limited to the amounts required to pay the costs of the board, including operating and administrative expenses and reasonable allowances for losses which may be incurred.

(17) procure insurance against any loss in connection with its mortgages and mortgage loans and other assets or property in amounts and from insurers as the board considers desirable or necessary;

(18) act as agent for governmental agencies concerning acquisition, construction, leasing, operation, or management of a housing development;

(19) issue notes and bonds and replace lost, destroyed, or mutilated notes and bonds; ~~and~~

(20) develop special programs for housing developments for veterans of the armed forces of the United States who are unable to acquire safe and sanitary housing through lending institutions by conventional means; and

(21) lend money to the economic development board to establish the Montana economic development guaranty fund created by [section 18]."

NEW SECTION. Section 30. Severability. If a part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

NEW SECTION. Section 31. Effective date. This act is effective on passage and approval.

NEW SECTION. Section 32. Coordination instruction. House Bill 871 as amended by the legislature is nearly identical to House Bill 700 except for the provisions relating to the financing of major projects. If both House Bill 871 and House Bill 700 are passed and approved, the code commissioner shall not codify both bills in their entirety, but shall only codify those parts of House Bill 871 that differ from the companion parts of House Bill 700."

And, as amended, do pass. Report adopted.

Committee attached the following statement of intent:

Statement of Intent
HB 871

A statement of intent is required for House Bill 871 because it provides rulemaking authority for the Montana economic development board in Section 21 of the bill.

It is the intention of the legislature that in implementing the rulemaking provisions of the bill, the board will examine the procedures used in other states to take advantage of proven methods of soliciting and reviewing applications for loans. It is further the intention of the legislature that the board will maintain close contact and solicit the opinions of the investment businesses in Montana and the financial institutions of the state. It is further the intention of the legislature that in the examination of the rules provided for assessment of a collection of fees in connection with its programs, the board shall make a concerted effort to consider not only the needs of the board, but the needs of the potential borrowers of the state and the general need for capital investment in Montana. Where possible, the board shall use proven methods of operation which have been provided through the experience of other boards in the state and the experience of other states. The rules should also provide for a local hearing to be held to determine whether a proposed project is in the public interest.

HB 636 - That HB 636, second reading copy, have the following statement of intent attached:

Statement of Intent
HB 636

A statement of intent is required for this bill because it provides rulemaking authority to the Department of Commerce in section 1.

The Legislature intends that rules be made that provide a reasonable definition of origination of a flight. The purpose here is not to cover the flight that originates out of state and makes a short stop in Montana to pick up fuel with the intent of continuing directly on the journey. The Legislature also recognizes that rules may be required to conform enforcement to the manner in which the Federal Aviation Administration administers the flight plans filed with it. The Legislature intends that the Department should adopt any rules necessary in this regard.

Statement of intent passed as follows:

Ayes: Abrams, Bachini, Bengtson, Bliss, J. Brown, Compton, Darko, Devlin, Driscoll, Ellerd, Ellison, Ernst, Eudaily, Fabrega, Farris, Hammond, Hannah, Hansen, Hanson, Harp, Harrington, Hart, Hemstad, Holliday, Howe, Jacobsen, R. Section 1. Section 70-30-104, MCA, is amended to read:

"70-30-104. What estates and rights in land may be taken. The following is a classification of the estates and rights in lands subject to be taken for the public use:

(1) such estate or rights as may be necessary up to and including a fee simple when taken for public buildings or grounds or for permanent buildings or for an outlet for a flow or a place for the deposit of debris or tailings of a mine or for the mining and extracting of ores, metals, or minerals when the same are owned by the plaintiff but located beneath or upon the surface of property where the title to said surface vests in others or for the underground storage of natural gas by a natural gas public utility as defined in 82-10-301. When the appropriation is for the underground storage of

natural gas, all of the right, title, interest, and estate in the real property and in the subsand stratum, formation, or reservoir so appropriated shall be determinable and for all purposes terminate upon abandonment or upon cessation for the period of 1 year of the use for which the same was appropriated, and thereupon the ownership of the residue of natural gas therein remaining shall likewise vest in the then owners of such reservoir space.

(2) such estate or rights in the surface as are necessary for a reservoir or dam and for the permanent flooding that results, up to the edge of the maximum pool of the reservoir;

(3) an easement, leasehold, or license, for so long as the interest is necessary for the purpose described in the complaint, or fee simple when taken for any other use;

(4) the right of entry upon and occupation of land and the right to take therefrom such earth, gravel, stones, trees, and timber as may be necessary for some public use."

Section 2. Section 70-30-111, MCA, is amended to read:

"70-30-111. Facts necessary to be found before condemnation. Before property can be taken, it must appear:

(1) that the use to which it is to be applied is a use authorized by law;

(2) that the taking is necessary to such use;

(3) if already appropriated to some public use, that the public use to which it is to be applied is a more necessary public use;

(4) that a reasonable effort to purchase the property was sought and a written offer was made and rejected; and

(5) that the public interest requires the taking."

Section 3. Section 70-30-201, MCA, is amended to read:

"70-30-201. Applicable rules of practice. Except as otherwise provided in this chapter, the provisions of Title 25 and 26, including the Montana Rules of Civil Procedure and the Montana Rules of Evidence, are applicable to and constitute the rules of practice in the proceedings mentioned in this chapter."

Section 4. Section 70-30-202, MCA, is amended to read:

"70-30-202. Jurisdiction and venue — complaint and summons required. All proceedings under this chapter must be brought in the district court of the county in which the property or some part thereof is situated. They must be commenced by filing a complaint and issuing a summons thereon. A summons served under this chapter must contain a notice to the defendant to file and serve an answer to the issue of public necessity and to appear and show cause at a time and place specified therein why the property described should not be condemned as prayed for in the complaint."

Section 5. Section 70-30-203, MCA, is amended to read:

"70-30-203. Contents of complaint. The complaint must ~~contain~~ allege:

(1) the name of the corporation, association, commission, or person in charge of the public use for which the property is sought, who must be styled plaintiff;

(2) the names of all owners, mortgagees, and lienholders of record and any other claimants of the property of record, if known, or a statement that they are unknown, who must be styled defendants;

(3) a statement of the right of plaintiff;

(4) statements of each of the facts necessary to be found in 70-30-111;

(4)(5) if a right-of-way is sought, the complaint must show the location, general route, and termini and must be accompanied with a map thereof, so far as the same is involved in the action or proceeding;

(5)(6) a description of each ~~piece of land interest in real property~~ sought to be taken and whether the same includes the whole or only a part of the entire parcel or tract. All parcels lying in the county and required for the same public use may be included in the same or separate proceedings, at the option of the plaintiff, but the court may consolidate or separate them to suit the convenience of the parties. ~~When application for the condemnation of a right-of-way for the purposes of sewerage is made on behalf of a settlement or a town or a county, the county commissioners of the county may be named as plaintiff.~~

(6)(7) if a sand, stratum, or formation suitable for use as an underground natural gas storage reservoir is sought to be appropriated, a description thereof and of the land in which it is alleged to be contained and a description of all other property and rights sought to be appropriated for use in connection with the appropriation of the right to store natural gas in and withdraw natural gas from such reservoir. In addition, the complaint shall state facts showing that the underground reservoir is one subject to appropriation by plaintiff; also stating that the underground storage of natural gas in the land sought to be appropriated is in the public interest; that the underground reservoir is suitable and practicable for natural gas storage; that the plaintiff in good faith has been unable to acquire the rights sought to be appropriated hereunder and a statement that the rights and property sought to be appropriated are not prohibited by law; and in addition, the complaint must be accompanied by a certificate from the board of oil and gas conservation as set forth in 82-10-304.”

Section 6. Section 70-30-206, MCA, is amended to read:

“70-30-206. Powers of court — preliminary condemnation order.

(1) The court ~~or judge~~ has power to:

(a) regulate and determine the place and manner of making the connections and crossings and enjoying the common uses mentioned in 70-30-103(1)(e) and of the occupying of canyons, passes, and defiles for railroad purposes, as permitted and regulated by the laws of this state or of the United States; or

(b) determine whether or not the use for which the property is sought to be appropriated is a public use within the meaning of the laws of this state; limit the interest in real property sought to be appropriated if in the opinion of the court the interest sought is not necessary.

(c) limit the amount of property sought to be appropriated if in the opinion of the court or judge the quantity sought to be appropriated is not necessary.

(2) If the court ~~or judge~~ is satisfied from the evidence presented ~~at the hearing provided for in 70-30-204~~ that the public ~~interests~~ require interest requires the taking of such ~~lands~~ interest in real property and that the facts necessary to be found before condemnation appear, it ~~or he~~ must forthwith make and enter a preliminary condemnation order that the condemnation of the ~~land or other~~ interest in real property may proceed in accordance with the provisions of this chapter.

(3) If the property sought to be appropriated is a sand, stratum, or formation suitable for use as an underground natural gas storage reservoir and the existence and suitability of it for such use has been proved by plaintiff upon substantial evidence, the order of the court ~~or judge~~ shall direct the commissioners to ascertain and determine the amount to be paid by the plaintiff to each person for his interest in the property sought to be appropriated for use as such underground natural gas storage reservoir and/or as the annual rental for the use of such underground gas storage reservoir and for the use of so much of the surface as is required in the operation of the underground gas storage reservoir and for the use in connection with the creation, operation, and maintenance thereof and for all the native gas contained in said reservoir as compensation and damages by reason of the appropriation of such property. However, the amount to be paid for such native gas and all thereof shall be no less than the market value of such gas. The court shall appoint three persons, qualified as experts and recommended as such by the board of oil and gas conservation, to assist and advise the commissioners in determining the compensation and damages to be paid by plaintiff to each person for his interest in the property sought to be appropriated, and the fees and expenses of such persons shall be chargeable as costs of the proceedings to be paid by the plaintiff."

Section 7. Section 70-30-207, MCA, is amended to read:

"70-30-207. Appointment of commissioners — qualifications — affidavit. (1) ~~Immediately upon making and entering the preliminary condemnation order, the judge must meet with the respective parties or their attorneys of record for the purpose of appointing condemnation commissioners to ascertain and determine the amount to be paid by the plaintiff to each owner or other persons interested in such property by reason of the appropriation of such property. The appointment of~~ Within 10 days of entry of a preliminary condemnation order, the defendant shall file a statement of his claim of just compensation. If within 20 days of service of defendant's claim plaintiff fails to accept the claim, the court must appoint condemnation commissioners and the commission hearing may be waived by written consent of both parties, in which case the proceeding shall be conducted in the district court as if the case had been appealed from an award by such commissioners.

(2) The court must thereupon appoint three qualified, disinterested condemnation commissioners, unless appointment has been waived. One of such commissioners shall be nominated by the party or parties plaintiff. One of such commissioners shall be nominated by the party or parties defendant. The third commissioner shall be the chairman and shall be nominated by the two commissioners previously nominated. However, if said two commissioners fail to make such choice at the time of their appointment, then such nomination shall be made by the presiding judge.

(3) Each commissioner shall possess the following qualifications:

- (a) a citizen of the United States and over 18 years of age;
- (b) that he is not more than 70 years of age;
- (c) that he is in possession of natural faculties, of ordinary intelligence, and not decrepit;
- (d) that he is possessed of sufficient knowledge of the English language;
- (e) that he was assessed on the last assessment roll of a county within the judicial district in which the action is pending;
- (f) that he has not been convicted of malfeasance in office or any felony or other high crime;
- (g) that he is not related within the sixth degree to any party;
- (h) that he does not stand in the relation of guardian and ward, master and servant, debtor and creditor, or principal and agent or partner or surety as to any party.

(4) At the time of such meeting and nominations, there shall be filed with the court by each nominating party or judge an affidavit of the person so nominated stating substantially as follows:

(a) that he has formed no unqualified opinion or belief as to the compensation to be awarded in the proceeding or as to the fairness or unfairness of the plaintiff's offer for the lands and improvements of the defendants;

(b) that he has no enmity against or bias in favor of any party and has not discussed, communicated, or overheard or read any discussion or communication from any party relating to values of the lands in question or the compensation offered, demanded, or to be awarded;

(c) that if selected as a condemnation commissioner, he is willing to serve and will well and truly try the issues of compensation and render a true decision according to the evidence and in compliance with the instructions of the court;

(d) that he will not discuss the case with anyone except the other commissioners until a decision has been filed with the court."

Section 8. Section 70-30-308, MCA, is amended to read:

"70-30-308. How payment made — execution or annulment for nonpayment. (1) Payment may be made to the defendants entitled thereto, or the money may be deposited in court for the defendants and be distributed to those entitled thereto. However, at the option of the defendants, payments may be made:

(a) ~~if a fee simple interest in the defendant's land is taken~~, on an annual basis, utilizing the installment contract method; or

(b) if other land is reasonably available and the plaintiff consents, by means of a land exchange between the defendants and plaintiffs if the land to be provided by the plaintiffs in the exchange is of equal or more value than the land being condemned; or

(c) ~~if an easement over or through the defendants' property is involved, in either a single payment or in not more than five consecutive annual installments.~~

(2) If the money be not so paid or deposited, the defendants may have execution as in civil cases, and if the money cannot be made on execution, the court ~~or judge~~, upon a showing to that effect, must set aside and annul the entire proceedings and restore possession of the property to the defendant if possession has been taken by the plaintiff."

Section 9. Section 70-30-309, MCA, is amended to read:

"70-30-309. Final order of condemnation — contents — vesting upon filing. (1) When payments have been made and the bond given, if the plaintiff elects to give one, as required by 70-30-307 and 70-30-308, the court ~~or judge~~ must make a final order of condemnation, which must describe the property condemned and the purposes of such condemnation.

(2) A copy of the order must be filed in the office of the county clerk and recorder, and thereupon the property described therein shall vest in the plaintiff for the purposes therein specified."

Section 10. Section 70-30-311, MCA, is amended to read:

"70-30-311. Putting plaintiff in possession. (1) At any time after the filing of the preliminary condemnation order or after the report and assessment of the commissioners have been made and filed in the court and either before or after appeal from such assessment or from any other order or judgment in the proceedings, the court ~~or any judge thereof at chambers~~ upon application of the plaintiff shall have power to make an order that, upon payment into court for the defendant entitled thereto of the amount of compensation claimed by the defendant in his answer under 70-30-207 or the amount assessed either by the commissioners or by the jury, as the case may be, the plaintiff be authorized:

(a) if already in possession of the property of such defendant sought to be appropriated, to continue in such possession; or

(b) if not in possession, to take possession of such property and use and possess the same during the pendency and until the final conclusion of the proceedings and litigation and that all actions and proceedings against the plaintiff on account thereof be stayed until such time.

(2) However, where an appeal is taken by such defendant, the court ~~or judge~~ may, in its ~~or his~~ discretion, require the plaintiff before continuing or taking such possession, in addition to paying into court the amount assessed, to give bond or undertaking with sufficient sureties to be approved by the judge court and to be in such sum as the court ~~or judge~~ may direct, conditioned to pay the defendant any additional damages and costs over and above the amount assessed, which it may finally be determined that defendant is entitled to for the appropriation of the property, and all damages which defendant may sustain if for any cause such property shall not be finally taken for public uses.

(3) The amount assessed by the commissioners or by the jury on appeal, as the case may be, shall be taken and considered, for the purposes of this section, until reassessed or changed in the further proceedings, as just compensation for the property appropriated; but the plaintiff, by payment into court of the amount claimed in the answer or the amount assessed or by giving security as above provided, shall not be thereby prevented or precluded from appealing

from such assessment but may appeal in the same manner and with the same effect as if no money had been deposited or security given. In all cases where the plaintiff deposits the amount of the assessment and continues in possession or takes possession of the property, as herein provided, the defendant entitled thereto, if there be no dispute as to the ownership of the property, may at any time demand and receive upon order of the court all or any part of the money so deposited and shall not by such demand or receipt be barred or precluded from his right of appeal from such assessment but may, notwithstanding, take and prosecute his appeal from such assessment; provided that if the amount of such assessment is finally reduced on appeal by either party, such defendant who has received all or any part of the amount deposited shall be liable to the plaintiff for any excess of the amount so received by him over the amount finally assessed, with legal interest on such excess from the time such defendant received the money deposited, and the same may be recovered by action; and provided, further, that upon any appeal from assessment by the commissioners to a jury, the jury may find a less as well as an equal or greater amount than that assessed by the commissioners; and provided, further, that the court shall not order the delivery to any defendant of more than 75% of the money deposited on his account except upon posting of bond by such defendant equal to the amount in excess of 75%, with sureties to be approved by the court, to repay to the plaintiff such amounts withdrawn as are in excess of his final award in the proceedings."

Section 11. Section 70-30-313, MCA, is amended to read:

"70-30-313. Current fair market value. Current fair market value is the price that would be agreed to by a willing and informed seller and buyer, taking into consideration, but not limited to, the following factors:

- (1) the highest and best reasonably available use ~~of the property~~ and its value for such use, provided current use may not be presumed to be the highest and best use;
- (2) the machinery, equipment, and fixtures forming part of the real estate taken; and
- (3) any other relevant factors as to which evidence is offered."

NEW SECTION. Section 12. Repealer. Sections 70-30-204 and 70-30-205, MCA, are repealed.

NEW SECTION. Section 13. Saving clause. This act does not affect rights and duties that matured, penalties that were incurred, or proceedings that were begun prior to the effective date of this act."

And, as amended, do pass. Report adopted.

3. Page 1.

Strike: everything following the enacting clause

Insert: "Section 1. Section 7-12-2181, MCA, is amended to read:

"7-12-2181. Creation of rural improvement district revolving fund. The board of county commissioners of any county in the state which may create any rural special improvement district or districts for any purpose ~~shall~~ may (in order to secure prompt payment of any special improvement district bonds or warrants issued in payment of improvements made therein and the interest thereon as it becomes due) create, establish, and maintain by resolution a fund to be known and designated as the rural special improvement district revolving fund. Nothing herein shall authorize or permit the elimination of a revolving fund until all bonds and warrants secured thereby and the interest thereon have been fully paid and discharged."

Section 2. Section 7-12-2182, MCA, is amended to read:

"7-12-2182. Sources of money for revolving fund. (1) For the purpose of providing funds for such revolving fund the board of county commissioners:

(a) may, in its discretion and from time to time, transfer to the revolving fund from the general fund of the county such amount or amounts as may be deemed necessary, which amount or amounts so transferred shall be considered and shall be loans from such general fund to the revolving fund; and

(b) shall, in addition to such transfer or transfers from the general fund or in lieu thereof, levy and collect for such revolving fund such a tax, hereby declared to be for a public purpose, on all the taxable property in such county as shall be necessary to meet the financial requirements of such fund. However, a tax may not be levied if the balance in the revolving fund exceeds 5% of the principal amount of the then-outstanding rural special improvement district bonds and warrants secured thereby. If a tax is levied, the tax may not be an amount that would increase the balance in the revolving fund above 5% of the then-outstanding rural special improvement district bonds and warrants secured thereby.

(2) Whenever there shall be money in the district fund which is not required for payment of any bond or warrant of such district secured by the revolving fund or of interest thereon, so much of such money as may be necessary to pay the loan provided for in 7-12-2183 shall, by order of the board, be transferred to the revolving fund. After all the bonds and warrants secured by the revolving fund issued on any rural special improvement district have been fully paid, all money remaining in such district fund shall by the order of the board be transferred to and become part of the revolving fund."

Section 3. Section 7-12-2183, MCA, is amended to read:

"7-12-2183. Loan from revolving fund to meet payments on bonds and warrants or to make emergency repairs. (1) Whenever any rural

special improvement district bond or warrant secured by the revolving fund and or any interest thereon shall become due and payable and there shall then be either no money or not sufficient money in the appropriate district fund with which to pay the same, an amount sufficient to make up the deficiency may, by order of the board of county commissioners, be loaned by the revolving fund to such district fund. Thereupon, such bond or warrant or such interest thereon shall be paid from the money so loaned or from the money so loaned when added to such insufficient amount, as the case may require.

(2) Whenever any rural special improvement district maintenance fund does not have sufficient money to pay the cost of emergency repairs, the board of county commissioners by order or resolution may loan money from the revolving fund to such district maintenance fund. Such loan shall be repaid in annual installments in not more than 3 years. In no event may the loans interfere with the payments of bonds or warrants. The loan shall be repaid by an assessment as provided by 7-12-2120 if other funds are not available. If there are not sufficient funds in the revolving fund to make the loans without interfering with the payment of bonds or warrants secured thereby, then the loans may not be made."

Section 4. Section 7-12-2185, MCA, is amended to read:

"7-12-2185. Covenants to utilize revolving fund. (1) In connection with the issuance of rural special improvement district bonds or warrants, the board of county commissioners may undertake and agree:

(a) to issue orders annually authorizing loans or advances from the revolving fund to the district fund involved in amounts sufficient to make good any deficiency in the bond and interest accounts thereof, to the extent that funds are available; and

(b) to provide funds for such revolving fund pursuant to the provisions of 7-12-2182 by annually making such tax levy (or, in lieu thereof, such loan from the general fund) as the board may so agree to and undertake, subject to the maximum limitations imposed by 7-12-2182.

(2) The undertakings and agreements shall be binding upon said county so long as any of said special improvement district bonds or warrants so offered or any interest thereon remain unpaid.

(3) In lieu of the undertakings and agreements set forth in subsection (1), the board of county commissioners may determine in the resolution authorizing the issuance of the bonds or warrants that the revolving fund shall not secure the bonds or warrants and that the bonds or warrants shall be payable solely from the district fund created therefor and shall have no claim against the revolving fund."

Section 5. Section 7-12-2186, MCA, is amended to read:

"7-12-2186. Utilization of excess money in revolving fund. Whenever there is in the revolving fund an amount in excess of 5% of the then-outstanding rural special improvement district bonds and warrants secured thereby and the board considers any part of the excess to be greater than the amount necessary for payment or redemption of maturing bonds or warrants secured thereby or interest thereon, the board may order the amount the board considers greater than

the amount necessary or any part thereof transferred to the general fund of the county.”

Section 6. Section 7-12-4221, MCA, is amended to read:

“7-12-4221. Creation of special improvement district revolving fund. The council or commission of any city or town which has heretofore created or may hereafter create any special improvement district or districts for any purpose may in its discretion ~~as to such district or districts created prior to February 25, 1929, and shall as to such district or districts created after February 25, 1929,~~ create, establish, and maintain by ordinance a fund to be known and designated as the special improvement district revolving fund in order to secure prompt payment of any special improvement district bonds or sidewalk, curb, and alley approach warrants issued in payment of improvements made therein and the interest thereon as it becomes due. Nothing herein shall authorize or permit the elimination of a revolving fund until all bonds and warrants secured thereby and interest thereon have been fully paid and discharged.”

Section 7. Section 7-12-4222, MCA, is amended to read:

“7-12-4222. Sources of money for revolving fund. (1) For the purpose of providing funds for such revolving fund the city or town council:

(a) (i) may, in its discretion and from time to time, transfer to the revolving fund from the general fund of the city or town such amount or amounts as may be deemed necessary, which amount or amounts so transferred shall be deemed and considered and shall be loans from such general fund to the revolving fund; and

(ii) may include in the cost of the improvement to be defrayed from the proceeds of the bonds or warrants an amount up to 5% of the principal amount of the bonds or warrants and deposit it in the revolving fund upon receipt of such proceeds; and

(b) shall, in addition to such transfer or transfers from the general fund or in lieu thereof, levy and collect for such revolving fund such a tax, hereby declared to be for a public purpose, on all the taxable property in such city or town as shall be necessary to meet the financial requirements of such fund. However, a tax may not be levied if the balance in the revolving fund exceeds 5% of the principal amount of the then-outstanding special improvement district bonds and warrants secured thereby. If a tax is levied, the tax may not be an amount that would increase the balance in the revolving fund above 5% of the then-outstanding special improvement district bonds and warrants secured thereby.

(2) Whenever there shall be money in the district fund which is not required for payment of any bond or warrant of such district secured by the revolving fund or of interest thereon, so much of such money as may be necessary to pay the loan provided for in 7-12-4223 shall by order of the council be transferred to the revolving fund. After all the bonds and warrants issued on any special improvement district or sidewalk, curb, and alley approach warrants secured by the revolving fund have been fully paid, all money remaining in such district fund shall by order of the council be transferred to and become part of the revolving fund.”

Section 8. Section 7-12-4223, MCA, is amended to read:

"7-12-4223. Loans from revolving fund to meet payments on bonds and warrants. Whenever any special improvement district bond or sidewalk, curb, and alley approach warrants which are secured by the revolving fund or any interest thereon shall be due and payable and there shall then be either no money or not sufficient money in the appropriate district fund with which to pay the same, an amount sufficient to make up the deficiency may, by order of the council, be loaned by the revolving fund to such district fund. Thereupon, such bond or warrant or such interest thereon shall be paid from the money so loaned or from the money so loaned when added to such insufficient amount, as the case may require."

Section 9. Section 7-12-4225, MCA, is amended to read:

"7-12-4225. Covenants to utilize revolving fund. (1) In connection with any public offering of special improvement district bonds or sidewalk, curb, and alley approach warrants, the city or town council may undertake and agree:

(a) to issue orders annually authorizing loans or advances from the revolving fund to the district fund involved in amounts sufficient to make good any deficiency in the bond and interest accounts thereof to the extent that funds are available;

(b) to provide funds for such revolving fund pursuant to the provisions of 7-12-4222(1) by annually making such tax levy (or, in lieu thereof, such loan from the general fund) as the city or town council may so agree to and undertake, subject to the maximum limitations imposed by 7-12-4222(1).

(2) The undertakings and agreements referred to in subsection (1) shall be binding upon said city or town so long as any of said special improvement district bonds or sidewalk, curb, and alley approach warrants so offered or any interest thereon remain unpaid.

(3) In lieu of the undertakings and agreements set forth in subsection (1), the city or town council may determine in the resolution authorizing the issuance of the bonds or warrants that the revolving fund shall not secure the bonds or warrants and that the bonds or warrants shall be payable solely from the district fund created therefor and shall have no claim against the revolving fund."

Section 10. Section 7-12-4227, MCA, is amended to read:

"7-12-4227. Utilization of excess money in revolving fund. Whenever there is an amount in the revolving fund in excess of the amount deposited in the revolving fund under 7-12-4169(2) and in excess of 5% of the outstanding special improvement district bonds and warrants and the council considers any part of the excess to be greater than the amount necessary for payment or redemption of maturing bonds or warrants secured thereby or interest thereon, the council may:

(1) by vote of all of its members at a meeting called for that purpose, order the amount of the excess that is greater than the amount necessary for the payment or redemption of maturing bonds or warrants secured thereby or interest thereon or any part thereof transferred to the general fund of such city or town; or

(2) use the excess that is greater than the amount necessary for the payment or redemption of maturing bonds or warrants secured thereby or interest thereon or any part thereof for the purchase of

property at sales for delinquent taxes or assessments, or both, or property which may have been struck off or sold to the county for delinquent taxes or assessments, or both, and against which property there then be any unpaid assessment for special improvements on account whereof there are outstanding special improvement district bonds or warrants of the city or town.””

HB 797 - That HB 797, second reading copy, have the following statement of intent attached:

Statement of Intent
HB 797

House Bill 797 requires a statement of intent because it authorizes the Department of Social and Rehabilitation Services to adopt rules to implement statutory changes. The Children's Trust created by voluntary contributions from income tax refunds would provide funds to locally based programs which are not operated by the state and which are involved in prevention and treatment of child abuse and neglect. The Department would administer the fund.

The Legislature contemplates that the rules should address the following, among other things:

1. Procedure for making grant applications.
2. Criteria for selecting programs for grant funding.
3. Definition of "In-kind" contributions.

The bill also authorizes the Department of Revenue to adopt rules to implement the checkoff provision on the Montana state income tax form.

Statement of intent passed as follows:

Following: line 12

Insert: "Section 1. Section 13-1-101, MCA, is amended to read:

"13-1-101. Definitions. As used in this title, unless the context clearly indicates otherwise, the following definitions apply:

- (1) "Anything of value" means any goods that have a certain utility to the recipient that is real and that is ordinarily not given away free but is purchased.
- (2) "Candidate" means:
 - (a) an individual who has filed a declaration or petition for nomination, acceptance of nomination or appointment as a candidate for public office as required by law;
 - (b) for the purposes of chapters 35, 36, or 37, an individual who has publicly announced his intention to seek nomination or election to public office by write-in vote and who has received a contribution or made an expenditure or has given an authorization to another person to receive a contribution or make an expenditure for the purpose of supporting his nomination or election.
- (3) (a) "Contribution" means:
 - (i) an advance, gift, loan, conveyance, deposit, payment, or distribution of money or anything of value to influence an election, some of which terms are further defined as follows:
 - (A) "loan" includes a guarantee, endorsement, and any other form of security in which the risk of nonpayment rests with the surety, guarantor, or endorser, as well as with a political committee, candidate, or other primary obligor. A loan is a contribution to the extent that the obligation remains outstanding.
 - (B) "money" includes currency of the United States or of any foreign nation, checks, money orders, and any other negotiable instrument payable on demand;
 - (C) "anything of value" includes securities, goods, facilities, equipment, supplies, personnel, advertising services, or other in-kind contributions provided without charge (other than volunteer services) or at a charge that is below the normal charge for the items. "Normal charge" for goods means the price of those goods in the market from which they ordinarily would have been purchased at the time of their contribution; and "normal charge" for any services, other than those provided by an unpaid volunteer, means a charge based on the weekly, hourly, or piecework rate charge, whichever is best applicable, ordinarily paid to the person providing the services.
 - (ii) a transfer of funds between political committees;
 - (iii) the payment by a person other than a candidate or political committee of compensation for the personal services of another person that are rendered to a candidate or political committee;
 - (iv) a written contract, promise, or agreement, such as a signed pledge card, whether or not legally enforceable, to make a contribution, and is a reportable debt owed to the candidate or committee until it is honored.
- (b) "Contribution" does not mean:

- (i) services provided without compensation by individuals volunteering a portion or all of their time on behalf of a candidate or political committee or meals and lodging provided by individuals in their private residence for a candidate or other individual;
- (ii) the cost of any bona fide news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication of general circulation;
- (iii) the cost of any communication by any membership organization or corporation to its members or stockholders or employees, so long as such organization is not a primary political committee; or
- (iv) filing fees paid by the candidate;
- (v) payments made for the purpose of determining whether an individual should become a candidate, such as those incurred in conducting a poll;
- (vi) unreimbursed payments for transportation expenses made by an individual in volunteering services to a candidate, to the extent that the cumulative value of the payments does not exceed \$100 for an election; or
- (vii) unreimbursed payment from a volunteer's personal funds for usual and normal living expenses incident to volunteer activity.
- (4) "Election" means a general, special, or primary election held pursuant to the requirements of state law, regardless of the time and/or purpose.
- (5) "Election administrator" means the county clerk and recorder or the individual designated by a county governing body to be responsible for all election administration duties, except that with regard to school elections, the term means the school district clerk.
- (6) "Elector" means an individual qualified and registered to vote under state law.
- (7) (a) "Expenditure" means a purchase, payment, distribution, loan, advance, promise, pledge, or gift of money or anything of value made for the purpose of influencing the results of an election.
- (b) "Expenditure" does not mean:
 - (i) services, food, or lodging provided in a manner that they are not contributions under subsection (3);
 - (ii) payments by a candidate for his filing fee or for personal travel expenses, food, clothing, lodging, or personal necessities for himself and his family;
 - (iii) the cost of any bona fide news story, commentary, or editorial distributed through the facilities of any broadcasting station, newspaper, magazine, or other periodical publication of general circulation; or
 - (iv) the cost of any communication by any membership organization or corporation to its members or stockholders or employees, so long as such organization is not a primary political committee.

- (8) "General election" means an election held for the election of public officers throughout the state at times specified by law, including elections for officers of political subdivisions when the time of the election is set on the same date for all similar political subdivisions in the state.
- (9) "Individual" means a human being.
- (10) "Issue" or "ballot issue" means a proposal submitted to the people at an election for their approval or rejection, including but not limited to initiatives, referenda, proposed constitutional amendments, recall questions, school levy questions, bond issue questions, or a ballot question. For the purposes of chapters 35, 36, and 37, an issue becomes a "ballot issue" upon certification by the proper official that the legal procedure necessary for its qualification and placement upon the ballot has been completed, except that a statewide issue becomes an "issue" upon approval by the secretary of state of the form of the petition or referral.
- (11) "Person" means an individual, corporation, association, firm, partnership, cooperative, committee, club, union, or other organization or group of individuals or a candidate as defined in subsection (2) of this section.
- (12) "Political committee" means a combination of two or more individuals or a person other than an individual who makes a contribution or expenditure:
- (a) to support or oppose a candidate or a committee organized to support or oppose a candidate or a petition for nomination; or
 - (b) to support or oppose a ballot issue or a committee organized to support or oppose a ballot issue; or
 - (c) as an earmarked contribution.
- (13) "Political subdivision" means a county, consolidated municipal-county government, municipality, special district, or any other unit of government, except school districts, having authority to hold an election for officers or on a ballot issue.
- (14) "Primary" or "primary election" means an election held throughout the state to nominate candidates for public office at times specified by law, including nominations of candidates for offices of political subdivisions when the time for such nominations is set on the same date for all similar subdivisions in the state.
- (15) "Public office" means a state, county, municipal, school, or other district office that is filled by the people at an election.
- (16) "Registrar" means the county election administrator and any regularly appointed deputy or assistant election administrator.
- (17) "Special election" means an election other than a statutorily scheduled primary or general election held at any time for any purpose provided by law. It may be held in conjunction with a statutorily scheduled election.
- (18) "Voting machine or device" means any equipment used to record, tabulate, or in any manner process the vote of an elector."

Committee attached the following statement of intent:

Statement of Intent SB 132

Senate Bill No. 132 requires a statement of intent because section 5 requires the Department of Fish, Wildlife, and Parks to establish fees for outfitters and guides. Presently fees charged are set by law, and are not based on actual costs incurred.

It is the intent of the legislature that fees be set by rule by the department which will adequately cover the costs of administering the licensing and regulatory programs relating to outfitters and the ongoing operations of the Montana Outfitters Council.

Committee attached the following statement of intent:

Statement of Intent
HB 800

A statement of intent is required for this bill because, in section 3, the executive director of the Youth Conservation Corps, in cooperation with the Commissioner of Labor and Industry, is given the responsibility of adopting rules for:

(1) the recruitment and employment of corpsmembers and corpsmember leaders; and

(2) a corpsmember code of conduct and a corpsmember grievance procedure.

In adopting rules, the executive director must conform to the purpose of implementation of a program, through labor-intensive projects normally subject to completion in a single working session, to maintain, protect, and conserve the resources of the state's public lands (including parks, rangelands, forests, wildlife habitat, fisheries, soils, and waters) for continued economic productivity and scenic beauty while providing an earning and learning opportunity for youth of this state who might otherwise be deprived of the benefits of income and of work experience.

The rules adopted must provide for reasonable minimum mental and physical qualifications of a corpsmember to perform the required tasks without hazard to the individual or his or her co-workers and with the normal diligence and attention to duty necessary to satisfactory completion of assigned tasks within the allotted time frame.

HB 899, introduced bill, be amended as follows:

If an applicant for a license for any class within a field of contracting at the same time applies for a license for the same class but within a different field of contracting, he shall pay the fee for the appropriate class of license as provided in subsection (2) to be licensed in one of the fields of contracting plus 25% of the fee for the same class to be licensed in the other field.”

And, as amended, be concurred in. Report adopted.

Committee attached the following statement of intent:

Statement of Intent

SB 398

SB 398 transfers contractor licensing and rulemaking authority from the Department of Revenue to the Department of Commerce. It delegates new rulemaking authority in the form of defining fields of contracting.

It is the intention of the legislature that the Department of Commerce broadly define fields of contracting so as to minimize the need for additional licenses within the same class while at the same time ensuring similarity of expertise within fields of contracting.

It is the intention of the legislature that the Department of Commerce gather information as required by this chapter and use that information for the following purposes:

(1) to ensure that an applicant for license is minimally qualified in his field of contracting; and

(2) to ensure that the Department of Commerce has information necessary to assist the Department of Administration in prequalifying bidders on state projects on the basis of financial ratings as well as previous performance reviews.

SB 421, third reading copy, be amended as follows:

Statement of Intent
SB 430

A statement of intent is necessary for this bill because it grants additional rulemaking authority to the Public Service Commission. The legislature intends that the commission adopt rules further defining criteria for qualifying small power production facilities, including cost effectiveness and other standards. These rules should reflect the addition of cogeneration facilities as qualifying small power production facilities.

Statement of intent passed as follows:

Committee attached the following statement of intent:

Statement of Intent

HB 446

A statement of intent is required for this bill because it delegates rulemaking authority to the Hard-Rock Mining Impact Board. Section 3 of the bill provides that the Board must adopt rules that provide a procedure for designating local government units and areas impacted by the cessation or reduction of mining activity.

The Legislature contemplates that the rules would:

(1) define the local government units "directly impacted" by the cessation or reduction of mining activity in a manner that considers the actual impact on local government units, regardless of their location, from such a cessation or reduction.

(2) consider, in providing such definition, factors such as the impact of a cessation or reduction upon an area's economy, labor force, and the continued provision of local government services.

(3) define a method for establishing the pro rata share of impact to designated local government units.

MOTIONS

Representative Nordtvedt moved that his vote on SB 351, adverse committee report, be recorded as no. Motion carried.

Representative Daily moved that SB 94, as amended, be taken from the table in the Committee on Taxation and placed on second reading on the 59th legislative day.

The Speaker ruled that in order to bring standing committee amendments to the House they must be made by a standing committee report.

Representative Ramirez appealed the ruling of the Speaker.

Representative Bardanoue requested that the question before the House be referred to the Committee on Rules.

The Speaker announced that the House would recess while the Committee on Rules met.

House recessed at 4:37 p.m.

House resumed at 5:13 p.m.

Following the meeting of the Committee on Rules, the Speaker announced that in order to move a bill from a standing committee with amendments attached the following steps must be taken:

1. That the House pass a motion to take from a standing committee a bill, as amended, to be printed and placed on second reading; and
2. That the chairman of the standing committee authenticate the amendments that were adopted by the committee.

The Speaker explained that minutes of the committee in their present form are not authenticated by the signature of the chairman. The amendments must be in proper form for printing and authenticated by the chairman's signature.

The Speaker clarified the motion of Representative Daily that SB 94 be taken from the table in the Committee on Taxation, printed with amendments and placed on second reading.

Speaker Pro Tem Brand in the Chair.

Representative Menahan moved the previous question. Motion carried as follows:

SIXTY-THIRD LEGISLATIVE DAY

Helena, Montana
March 19, 1983

House Chambers
State Capitol

House convened at 10:00 a.m., Mr. Speaker in the Chair. Invocation by the Chaplain, Reverend Harper. Pledge of Allegiance to the Flag.

Roll call. All members present except J. Brown, Howe, Thoft, excused. Quorum present.

Mr. Speaker: We, your Committee on Legislative Administration/Bills and Journal, having examined the daily journal for the sixty-first legislative day, find the same to be correct.

J. Brown, Vice-Chairman

SPECIAL ORDERS OF THE DAY

To commemorate Charles Russell's birthday (1864-1926), Ed Noonan, poet and legislative attache, read the following original poem:

Poem I

Russell stood in the House gallery.
He stared at the wall where his painting would be.
Between him and the wall
On the floor of the House
Sat a mixture of statesmen and roustabouts
A mixture of heroes and clowns
Whose word would soon be law
In every city and town of Montana
A land that Russell knew well
A land that he would paint on that wall.

He thought about triumph
And he thought about greed
He thought about grandeur and mighty steeds.
He thought about tomorrow and destiny and death.
He thought about his colors
And about the West.
He thought about the men below
The villains and the saints.
Then his hands took over
And he went to his paints.

MESSAGES FROM THE GOVERNOR

The Honorable Dan Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

March 19, 1983

Dear Mr. Speaker:

This is to inform you that I have signed the following bills this date:

House bills 18, 142, 276, and 304.

Sincerely,

Ted Schwinden
Governor

The Honorable Daniel Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

March 19, 1983

The Honorable Stan Stephens
President of the Senate
State Capitol
Helena, Montana 59620

Dear Representative Kemmis and Senator Stephens:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 92 "AN ACT TO AUTHORIZE THE ADMINISTRATIVE CODE COMMITTEE TO OBJECT TO ANY RULE UPON THE GROUND THAT IT WAS ADOPTED IN SUBSTANTIAL VIOLATION OF THE PROCEDURAL OR SUBSTANTIVE AUTHORITY DELEGATED TO THE AGENCY; REQUIRING THE AGENCY, AFTER OBJECTION BY THE COMMITTEE, TO PROVE THE LAWFULNESS OF THE RULE; ALLOWING COST AND ATTORNEY FEES AGAINST THE AGENCY IF THE RULE IS INVALIDATED BY COURT JUDGMENT; AMENDING SECTION 2-4-506, MCA," without my signature and recommend the following amendments.

House Bill No. 92, as passed, allows a court in Section 1(4) to award costs and reasonable attorney fees against an agency if it failed to meet

the burden of proof imposed by this Act — even if the agency acted in good faith. The amendment I am proposing would allow a court to award costs and fees against an agency if the agency failed to meet the burden of proof, and if the agency adopted the rule in arbitrary or capricious disregard for the purposes of the authorizing statute. Good faith state actions should not be penalized.

Furthermore, language on page 3, line 13 of House Bill No. 92 provides that a bill can be declared invalid if it “was not adopted in substantial compliance with 2-4-302, 2-4-303, and 2-4-305.” However, Section 2-4-305(7), an existing provision in the Administrative Procedure Act, already provides that a rule is invalid unless adopted in substantial compliance with those sections. In the second amendment, I am proposing to delete this repetitive language from House Bill No. 92.

I urge your concurrence in these amendments.

Governor's Proposed Amendments
to HB 92

Following: “subsection”

Insert: “and the court finds that the rule was adopted in arbitrary and capricious disregard for the purposes of the authorizing statute”

2. Page 3, line 13.

Following: “INTENT”

Strike: “OR WAS NOT in substantial compliance with 2-4-302, 2-4-303, and 2-4-305”

Sincerely,

Ted Schwinden
Governor

The Honorable Daniel Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

March 19, 1983

The Honorable Stan Stephens
President of the Senate
State Capitol
Helena, Montana 59620

Dear Representative Kemmis and Senator Stephens:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 82, “AN ACT AUTHORIZING SPECIAL LICENSE PLATES FOR VETERANS WITH 100-PERCENT SERVICE-CONNECTED DISABILITIES FOR HANDICAPPED INDIVIDUALS AND FOR FORMER PRISONERS OF WAR; AND PROVIDING A DELAYED EFFECTIVE DATE,” without my signature and recommend the attached amendment for the following reasons.

Under Section 4, the holder of special license plates who disposes of his vehicle “shall” affix those plates to another vehicle “that meets the requirements of [section 1, 2, or 3].” First, Sections 1, 2, and 3 do not prescribe requirements for motor vehicles, but rather establishes a procedure for obtaining special license plates. Secondly, the mandatory language of

Section 4 overlooks the situation where a special license plate holder does not acquire another vehicle.

For clarification, I am proposing amendments to authorize rather than require the placement of special plates on another vehicle and to eliminate the requirement that the other vehicle meet the requirements of Sections 1, 2, and 3.

I urge your concurrence in these amendments.

Governor's Proposed Amendments
to SB 82

1. Page 2, line 24.

Following: "and"

Insert: "may"

2. Page 2, lines 24 and 25.

Following: "vehicle" on line 24

Sincerely,

Ted Schwinden
Governor

That HB 747, second reading copy, have the following statement of intent attached:

Statement of Intent

HB 747

A statement of intent is required for this bill because section 1 grants rulemaking authority to the Department of Revenue.

It is the legislature's intent that the rules promulgated by the Department of Revenue shall insure compliance by all affected private parties with the provisions of Title 15, chapter 24, part 12, MCA, including producers of electrical energy who use tax-exempt high voltage transmission lines to make bulk power transfers. The rules enacted by the department shall provide a mechanism whereby private users or possessors of tax-exempt property, including producers of electrical energy who use tax-exempt high voltage transmission lines for bulk power transfers, are required to report the value of such tax-exempt property in order that ad valorem taxes may be levied and collected. The rules shall provide that if a private party fails to report the value of tax-exempt property used or possessed by it, the department shall determine the value of the tax-exempt property and order the taxpayer to show cause why such value should not be used in computing the tax and why tax computed from that value should not be levied against and collected from the taxpayer. It is the legislature's intent that no rules other than those necessary to effectuate the provisions of section 1 of this act as set forth in this statement of intent shall be promulgated by the Department of Revenue.

Statement of intent passed as follows:

Ayes: Abrams, Addy, Asay, Bachini, Bardanouve, Bergene, Bertelsen, Bliss, Brand, D. Brown, J. Brown, Compton, Connelly, Curtiss, Daily, Darko, Devlin, Donaldson, Ellison, Ernst, Fabrega, Farris, Hammond, Hand, Hannah, Hansen, Hanson, Harp, Harper, Harrington, Hart, Hemstad, Holliday, Iverson, Jacobsen, Jones, Kadas, Keenan, Kennerly, Keyser, Kitselman, Koehnke, Lory, Lybeck, McBride, Marks, Manuel, Metcalf, Miller, Mueller, Neuman, Nilson, Nisbet, Nordtvedt, O'Connell, Pavlovich, Peck, Phillips, Pistoria, Quilici, Ramirez, Ream, Roush, Ryan, Sales, Sands, Saunders, Schultz, Schye, Seifert, Solberg, Swift, Switzer, Underdal, Veleber, Vincent, Vinger, Waldron, Wallin, Williams, Winslow, Yardley, Zabrocki.

Committee attached the following statement of intent:

Statement of Intent
SB 456

A statement of intent is necessary for this bill because it directs the Public Service Commission to adopt rules governing the installation of cost-effective conservation measures and the reflection of those measures

in a utility's rate base. The commission must approve criteria and standards for:

- (1) allowable conservation measures from an engineering standpoint;
- (2) cost-effectiveness;
- (3) on-site energy audits;
- (4) conservation corresponding to end-use of energy that a utility provides;
- (5) inspections;
- (6) inclusion of conservation in a utility's rate base;
- (7) other procedures necessary to implement this act.

In adopting cost-effectiveness and engineering criteria, the commission is directed to consult with the department of natural resources and conservation and with Montana's representatives to the Northwest Power Council.

It is not the intent of the legislature to allow grants from the Bonneville Power Administration for purposes of conservation to be placed in the rate base.

SB 401 - That SB 401, third reading copy, have the following statement of intent attached:

Statement of Intent
SB 401

Senate Bill 401 requires a statement of intent because it provides that the Board of Natural Resources and Conservation must by rule prescribe a fee for the processing of a copy of a water right transfer certificate. It is the intent of the legislature that the board study the cost of processing such certificates and set the fee commensurate with the department's cost in processing a certificate. In making its cost analysis study the board should consult with the department and obtain the department's opinion as to what the department's costs will be. The fee may not be set so high that it generates revenue in excess of actual costs.

Statement of intent passed as follows:

Ayes: Addy, Asay, Bachini, Bergene, Bertelsen, Bliss, Brand, D. Brown, J. Brown, Compton, Curtiss, Darko, Devlin, Driscoll, Ellerd, Ellison, Eudaily, Fagg, Farris, Hammond, Hand, Hansen, Hanson, Harp, Harper, Harrington, Hart, Holliday, Howe, Iverson, Jacobsen, J. And, as amended, do pass. Report adopted.

Committee attached the following statement of intent:

Statement of Intent

HB 793

A statement of intent is required on this bill because rulemaking authority is granted the Department of Revenue in section 13 and the Motor Vehicle Division of the Department of Justice in section 16.

It is intended that the rules promulgated by the Department of Revenue would provide maximum compatibility with rules adopted by the Department for administering state income taxes. In achieving this goal the Department should strive for simplicity for taxpayers, and if burdens are necessary, the Department should bear them. In administering the program the primary objective should be efficiency for both the state and the concerned counties. It is contemplated that the rules will address reporting forms, payments to local governments, and other procedures necessary for the proper administration of the local income tax.

The rules promulgated by the Motor Vehicle Division are intended to be primarily administrative such as prescribing reporting by local governments, payment schedules by the Division, forms to be used, and other procedures necessary for the proper administration of the motor vehicle fee for local governments.

SB 281, be concurred in. Report adopted.

TAXATION (Yardley, Chairman):

APPROPRIATIONS (Bardanoue, Chairman):

3/22/83

HB 418, do pass. Report adopted.

HB 447, introduced bill, be amended as follows:

1. Page 1.

Strike: everything following the enacting clause

Insert: "Section 1. Title. This act may be cited as the "General Appropriations Act of 1983".

Section 2. Definitions. For the purposes of this act, unless otherwise stated, the following definitions apply:

(1) "Agency" means each state office, department, division, board, commission, council, committee, institution, university unit, or other entity or instrumentality of the executive branch, office of the judicial branch, or office of the legislative branch of state government.

(2) "Approving authority" means the governor or his designated representative, for executive branch agencies; the chief justice of the supreme court for judicial branch agencies; appropriate legislative committees for legislative branch agencies; or the board of regents or its designated representative for the university system.

(3) "University system unit" means the board of regents, office of the commissioner of higher education, university of Montana at Missoula, Montana state university at Bozeman, Montana college of mineral science and technology at Butte, eastern Montana college at Billings, northern Montana college at Havre, western Montana college at Dillon, the agricultural extension station with central offices at Bozeman, the cooperative extension service with central offices at Bozeman, the forestry and conservation experiment station with central offices at Missoula, or the bureau of mines and geology with central offices at Butte.

Section 3. Other funds to offset general fund. The approving authority shall decrease the general fund appropriation of the agency by the amount of funds received from other sources in excess of the appropriation provided in this act unless such action is expressly contrary to state or federal law, rule, or contract or the approving authority certifies that the services to be funded by the additional funds are significantly different from those for which the agency has received an appropriation.

Section 4. Expenditure limit. Expenditures may not exceed appropriations.

Section 5. Budget requests. Sufficient funds are appropriated in this act to enable each agency to submit its 1985 biennial budget request to the budget director and the legislative fiscal analyst pursuant to the time schedule established in 17-7-112(1), MCA. If any agency fails to submit its final, complete budget request by the deadlines established in 17-7-112(1), MCA, the expenditure authority herein granted shall be reduced or rescinded by the budget director unless the agency director certifies that an emergency situation has precluded a timely budget presentation and the budget director approves an extension not to exceed 30 days.

Section 6. Detailed budget information. Within 10 days after submission of the executive budget to the legislative fiscal analyst, the budget director shall give the legislative fiscal analyst the governor's expenditure recommendations by object of expenditure to the second level of detail and by funding source detailed by accounting entity. Within 10 days after the 49th Legislature convenes in regular session, the legislative fiscal analyst shall give the budget director expenditure detail contained in the budget analysis to the second level of detail and by funding sources detailed by accounting entity. This information shall be filed in the respective offices and available to members of the Legislature and the general public.

Section 7. Operating budgets. Expenditures may be made only in accordance with operating budgets approved by the approving authority. The respective appropriations are contingent upon approval of the operating budget by July 1 of each fiscal year. Each operating budget shall include expenditures for each agency program detailed at least by personal services, operating expenses, equipment, benefits and claims, transfers, and local assistance. However, if any agency allocates its appropriations to the second expenditure level in the state accounting system, separate operation plans need not be submitted to the approving authority.

Section 8. Program transfers. Within each fiscal year, the approving authority may approve agency requests for program transfers for up to a 5% program increase or decrease unless specifically prohibited by other language or statutes. Justification explaining the reason for the transfer shall be submitted to the approving authority and the legislative fiscal analyst with the request. Upon approval, the approving authority shall present the final transfer allowed and the justification used to the legislative fiscal analyst.

Section 9. Reduction of appropriation. In the event of a shortfall in revenue, the governor may reduce any or all appropriations. No appropriation may be reduced by more than 15%. The following appropriations may not be reduced:

- (1) payment of interest and retirement of state debt;
- (2) the legislative branch;
- (3) the judicial branch;

- (4) school foundation program; or
- (5) salaries of elected officials during their terms of office.

Section 10. Access to records. No funds appropriated by this act may be expended for any contract, written or oral, with a nonstate entity for services to be provided by the nonstate entity to members of the public on behalf of the state unless such contract contains a provision for legislative audit and analysis purposes in determining compliance with the terms of the contract. Each such contract may be unilaterally terminated by the state, and each contract must so provide upon refusal of the nonstate entity to allow access to records necessary to carry out the legislative audit and analysis functions set out in Title 5, chapters 12 and 13.

Section 11. Severability. If any section, subsection, sentence, clause, or phrase of this act is for any reason held unconstitutional, such decision does not affect the validity of the remaining portions of this act.

Section 12. Reversion. Notwithstanding other provisions of law, the unexpended balance of each appropriation reverts to the fund from which it was appropriated at the end of each fiscal year unless otherwise provided in this act.

Section 13. Audit costs. Amounts appropriated for audits may be transferred between fiscal years.

Section 14. Totals not appropriations. The totals shown in this act are for informational purposes only and are not appropriations.

Section 15. Appropriations. The following money is appropriated for the respective fiscal years:

Funds up to \$300,000 remaining within the 1983 biennium appropriation to the property assessment division contained in House Bill 2 of the November 1981 Special Session for defense of the railroad litigation are reappropriated for the 1985 biennium to deal with legal issues arising under federal nondiscriminatory taxation acts such as the Tax Equity and Fiscal Responsibility Act, the Railroad Revitalization and Regulatory Reform Act, and any subsequent federal legislation that directs the state to take a nondiscriminatory posture in the taxation of entities doing business within the state. This appropriation may be used only for attorney fees, expert witnesses, and extraordinary expenses associated solely with resolving disputes related to such legal issues.

Item 1c is a biennial appropriation to pay legal fees incurred by the department.

If the Child Support Enforcement Program is required by a change in federal legislation to pay operating costs from collections, the program is authorized to substitute the Child Support fees and collections for the federal appropriation up to the total amount authorized by the Legislature for operations in the 1985 biennium. In the event established cutoff dates related to the change in funding do not allow for adequate funding of the operating costs from fees and collections, the Department of Administration is authorized to make a loan to the Child Support Enforcement Program from the general fund. The loan may not exceed an amount equal to deposits made by the Child Support Enforcement Program to the general fund for the 6-month period prior to the funding change and must be paid back within 2 years.

The Department of Revenue is authorized to employ necessary personnel and to spend funds received from local government contracts under section 7-14-302, MCA, to administer the local option motor fuel excise tax.

There are appropriated to the Liquor Division funds necessary to maintain adequate inventories of liquor and wine and to operate the state liquor operation. During the 1985 biennium, the division should attempt to return 13% of net sales. Net sales are gross sales less discounts and all taxes collected. The division should also attempt to limit operational expenses of the liquor merchandising system to not more than 15% of net sales. Operational expenses may not include product costs, freight charges, or expenses allocable to other divisions or licensing bureau expenses.

The division retains full authority to determine store operating hours and the number and location of stores and employees. Nonprofitable state stores should be closed or converted to agency stores in an orderly manner. Agency stores should also be closed if the division considers them marginally profitable and other state stores or agencies are located within a reasonable distance. The division is not required to close stores to meet its profit or expense goals if public convenience would be adversely affected by such closure. A nonprofitable state store is one that shows a net loss or is less profitable than if run as an agency store after reducing gross revenues by all state excise and license taxes and by deducting therefrom all normal operating expenses, which include a pro rata share, based on gross sales, of central administration office expenses.

The county commissioners of the various counties and the governing bodies of local government units shall provide office space in county courthouses or government office buildings to the state Department of Revenue for its use at no cost to the state. The department is not liable for any expenses in connection with use of such space including but not limited to rent, utilities, or janitorial services. The department shall use such space as offices for its agents, the county assessor and appraiser, and their respective staffs.

Items 1c, 3b, 4b, and 5b are biennial appropriations.

Should the economy improve to the point there is a need for more building standard inspectors, a maximum of 3 FTE and operating expenses and equipment for the 3 FTE may be added by budget amendment to the building standards division.

In item 5c in the proprietary fund is \$50,000 that is appropriated out of the capital project fund.

Item 16 is appropriated out of the SRS building debt service fund.

Items 23 and 24 are appropriated out of the pension trust fund.

Item 17b is a biennial appropriation to pay contract services which may be used only in defense of the eligibility technician lawsuit.

Item 24c is to complete and operate the systems development project for the data processing system for Teachers' Retirement. The funds provided are sufficient to complete the project and further requests for funding the project may not be made.

Items 30b and 30c are appropriated for the "34 percent" property tax issue.

The Department of Administration shall review and approve or disapprove all acquisition of land mobile radio equipment and systems for all agencies of state government. In approving such equipment or systems, the department shall:

- (a) consult with and consider the recommendations and advice of the state agency directors; and
- (b) ensure compliance with statewide planning efforts.

If the Department of Administration exercises its right to convert the existing lease agreement between the state and Centel Business Systems to a lease with an option to purchase as provided in section 16.12 of the lease agreement, then the department is authorized, in its discretion, to issue lease participation certificates to finance such purchase options in a manner and form determined to be in the best interests of the state. The department is further authorized to employ financial consultants and counsel considered necessary to issue lease participation certificates, the cost of which may be paid from the proceeds of the certificates.

The department may expend available self-insurance reserves and revenues to pay any deficit that may be incurred for property insurance premiums due and payable through June 30, 1985.

In the event additional federal highway funds become available, additional spending authority and additional FTE may be requested through budget amendment.

Item 1b is contingent upon passage of Senate Bill 454. In addition to the funds appropriated in that item, the amount needed to pay principal and interest on bonds issued under the authority of Senate Bill 454 is appropriated from the highway earmarked account.

If Senate Bill 454 is enacted, the appropriations in 1a and 1b will be combined for fiscal 1984 and fiscal 1985.

Item 1c is contingent upon the passage of House Bill 16 and House Bill 730.

The Legislature anticipates the department will proceed during the 1985 biennium with the projects and right-of-way acquisitions listed in its revised work plan presented to the Legislative, Judicial, and Administrative subcommittee of Appropriations — Finance and Claims and spend funds substantially in accordance with the estimated expenditures shown on that work plan. The department shall report to the 1985 Legislature any significant deviation in projects undertaken or funds expended from that work plan.

The Legislature anticipates that the maintenance division will receive by budget amendment spending authority for any funds in excess of \$556,097 in fiscal 1984 and \$587,663 in fiscal 1985 that it collects from damage situations.

Item 5b is for the installation of 2,000 energy-efficient street lights. This expenditure will be reimbursed by funds from the Bonneville Power Administration which will be deposited in the stores inventory earmarked revenue account.

The equipment division budget contains funds for 2,200,000 gallons of gasoline each year and 550,000 gallons of diesel fuel in fiscal 1984 and 600,000 gallons in fiscal 1985. The anticipated price of each gallon of fuel is \$1.15 in fiscal 1984 and \$1.30 in fiscal 1985. In the event the price of fuel exceeds these estimates, the division may request additional spending authority by budget amendment for funds sufficient to purchase the anticipated number of gallons of fuel. In the event that fuel prices remain at existing levels or decrease, the division shall revert any excess funds.

Funding may be transferred among all programs including stores inventory to reflect actual personal services expenditures. This is not to be construed as permitting the transfer of full-time equivalent employees between programs, nor may there be an increase in the total number of appropriated full-time equivalent employees.

Item 11 is a biennial appropriation from the general fund to the highway earmarked account.

Item 3b is for indexing and printing of personnel appeals cases. Any fund balance remaining from fees charged for copies of cases shall revert at the end of fiscal 1985. Item 3c is for a 1.0 FTE grievance appeals officer position and may be used only if HB 309, 1983, passes.

Included in item 4 are funds sufficient to reduce the caseload backlog to a maximum of 116 cases by June 30, 1985.

In item 5a, federal spending authority totaling \$4,561,000 in fiscal 1984 and \$4,835,000 in fiscal 1985 is to provide for current level operations of all existing job service offices and up to 155 FTE. If federal funds for job services are less than these amounts, the department may supplement federal funds with state unemployment taxes collected specifically for the administration of local job service offices.

Item 6b is for social security offset payments. No transfers may be made out of this line item.

In each fiscal year, 10% of the Low Income Energy Block Grant shall be transferred to the Social Services Block Grant. If the transfer is greater than \$1,110,730 in either fiscal year, a general fund amount equal to that amount above \$1,110,730 shall go into the contingency fund.

Item 1bi is for AFDC payments for an average case load of 6,800. The payment standard may not exceed 51% of the poverty index in fiscal 1984 and the payment standard shall increase 3% in fiscal 1985. Should the average case load be less than 6,800, a pro rata portion of spending authority shall go into the contingency fund for each case below 6,800.

No funds may be transferred out of item 1bii.

The department may not consider donated funds obtained by foster care providers when allocating or contracting state payments for foster care services.

No transfers may be made out of items 2biA through 2biE.

In fiscal 1984 foster family payment rates shall be \$257 for children 0 to 12 years of age and \$321 for children 13 years and older; and in fiscal 1985 the foster family payment shall be \$272 for children 0 to 12 years of age and \$340 for children 13 years and older. In-state group home providers shall receive a 6% increase in funds disbursed from the department of SRS for each fiscal year.

No FTE or spending authority may be transferred into or out of the eligibility determination program.

Items 5b and 5civ are biennial appropriations.

Item 5cii includes medicaid funding for 6,800 AFDC recipients. If these funds are not needed to support the AFDC case load, the funds may not be used to expand the scope and duration of the medicaid program.

Item 5civ may be used for the following benefits if the required conditions occur:

1. AFDC - if the average fiscal year case load exceeds 6,800.
2. Other Medicaid - if optional medicaid services are no longer available because the average fiscal year AFDC case load exceeds 6,800 or if the number of nursing home days is greater than 1,263,327 in fiscal 1984 or 1,259,875 in fiscal 1985.
3. Foster Care - if expenditures for foster care exceed the appropriation for foster care after giving each provider not more than a 6% increase in funding disbursed by SRS each year of the 1985 biennium.
4. SSI - if the number of persons eligible for Supplemental Security Income payments is greater than 752 in fiscal 1984 or 797 in fiscal 1985, not including those persons who were budgeted for SSI payments under the medicaid waiver or the developmental disabilities budget.
5. Replace Federal Medicaid Funds - if the average federal medicaid matching rate is below .6369 in fiscal 1985, these funds may be used to supplement the federal funds due to the lower medicaid rate.

The contingency fund shall be used to maintain AFDC, optional medicaid, nursing homes, foster care, and SSI benefits for those who qualify under rules and laws in effect on January 1, 1983, but may not be used to directly or indirectly expand the type or number of services offered to an individual.

The Department of Social and Rehabilitation Services may use these funds and is appropriated the corresponding matching federal, private, or county funds for one or more of the benefits defined above if, for each benefit for which the funds are used, the department certifies and provides written justification in which the Office of Budget and Program Planning concurs that the required condition has occurred.

Item 6 contains funding for two FTE who shall work solely on medicaid.

No FTE or spending authority may be transferred into or from the disability determination program.

The cost per case reviewed by the disability determination program may not increase more than 6% per year above the fiscal 1983 estimated cost of \$195.

The department may not consider donated funds obtained by developmental disability providers when allocating or contracting state payments for developmental disability services.

Included in item 10b for developmentally disabled (DD) benefits is \$162,500 each fiscal year from federal DDPAC funds to be used for direct client services. It is the Legislature's intent that these services be the expanded foster care program for DD as proposed in the executive budget.

Items 4a, 4b, and 4c are biennial appropriations.

To facilitate the orderly transfer of duties from the Oil and Gas Commission to the Department of Revenue caused by the passage of Chapter 93, L. 1983, DNRC is authorized to transfer the appropriate personnel and earmarked revenue funds to the Department of Revenue during fiscal 1984.

The general fund appropriation of \$186,000 to the Water Resources Division for fiscal year 1983 contained in HB 500, Laws of 1981, for a grant to an irrigation district formed to operate the Daly Ditch water project was conditioned for the purpose of operating and maintaining the project for 1 year. This condition is changed to allow the grant for the purpose of operating and maintaining the project for 2 years.

In item 4a, included for contracted services are \$677,098 in fiscal 1984 and \$717,724 in fiscal 1985 to provide for room and board for 50 inmates at two community pre-release centers other than Alpha House and the Missoula Life Skills Center. If delays occur in the opening of these pre-release centers, the director may utilize the contracted services funds to provide for room and board to house such inmates at the state prison. The director shall notify the Legislative Finance Committee and the Governor's budget office prior to any transfer of funds.

Item 6 reappropriates \$151,094 for the biennium of general fund money appropriated in House Bill 2 from the second special session of the 47th Legislature for start-up costs for two new 25-bed pre-release centers, less any amount expended in fiscal 1983 for that purpose.

The department is authorized to maintain an aggregate funding level of \$2,236,595 during fiscal 1984 and \$2,467,723 during fiscal 1985 for those substance abuse programs that during fiscal 1983 were partially or totally funded under the provision of 53-24-206, MCA. The department is authorized to augment the actual funding available under 53-34-206, MCA, by utilizing available alcohol federal block grant funding to attain the aggregate funding levels specified above except that 25% of each federal fiscal year's block grant must be retained for the following state fiscal year. Expenditures of revenues available under 53-34-206, MCA, when combined with discretionary distribution of the alcohol federal block grant, may not exceed the aggregate funding totals specified above.

In item 3, general fund totaling \$89,748 in fiscal 1984 is a loan for the purposes of purchasing equipment. The department shall track this loan and previous general fund loans separately on the state budgeting and accounting system.

The department is authorized to contract for all or part of ranch and dairy management after consulting with the ranch policy board. The department is directed to explore the possibility of profit sharing in the context of contractual ranch and dairy management. Before any hay storage facilities are built or any equipment is purchased, the department shall consult with the ranch policy board.

The department may budget amend revolving account spending authority for expanded activities within the license plate factory.

Warm Springs State Hospital is budgeted for an average daily population of 350 patients in fiscal 1984 and 20 in fiscal 1985. Should the actual average daily population be less than the budgeted levels, there shall be a pro-rata personal service reversion for direct care services personnel based on the following direct care ratios: Registered Nurse - 1:11, Licensed Practical Nurse - 1:6.4, Special Duty Aides and Psychiatric Aides - 1:1.9.

A pro-rata portion of the supplies and materials appropriation directly attributable to the reduction in average daily population referred to above shall also revert.

Item 1 contains \$131,218 for funding through December 31, 1983, for 16.79 FTE food service positions, which will be eliminated once the food services of Warm Springs and Galen are consolidated. Should the consolidation occur prior to December 31, 1983, a pro-rata portion of the funding for the 16.79 FTE positions described above shall revert. This reversion shall be calculated as \$713 per day for each day the consolidation is in place before December 31, 1983.

The Warm Springs appropriation assumes the transfer of all patients in the children's treatment unit to the Montana Youth Treatment Center in Billings by June 30, 1984. Should this transfer be delayed past June 30, 1984, the Department of Institutions is authorized to utilize the appropriation for the Montana Youth Treatment Center to maintain services at Warm Springs until such time as the entire transfer is completed. The daily cost of maintaining the children's treatment unit past June 30, 1984, shall be consistent with the expenditure level for the unit as established by the Warm Springs appropriation.

All revenues received in the state traffic education account under the provisions of section 20-7-504, MCA, are appropriated to be distributed as provided in section 20-7-506, MCA.

The appropriations in items 2, 9, and 11 are for the biennium.

State and federal funds appropriated in items 1 and 3 through 7 include internal transfers of indirect costs. The amount of indirect costs in excess of \$444,292 in fiscal 1984 and \$453,088 in fiscal 1985 that are recovered all revert to the general fund.

Special Education funds in item 13 are for foundation and permissive support of the maximum-budget-without-a-vote for special education.

Special Education contingency funds in item 14 are for emergencies that may arise in special education programs at local districts. A district's board of trustees may apply for an allocation from these funds by presenting the superintendent of public instruction a child-study team report and an individual education plan for each child relating to this unforeseen expense, a current listing of program, case loads, and related costs. The contingency appropriation is for the biennium and the specific amounts may be transferred between fiscal years.

Notwithstanding other provisions of law, the superintendent may not approve a maximum-budget-without-a-vote for special education which, in the aggregate, exceeds \$54,447,251 in the 1985 biennium.

The superintendent of public instruction may use the special education and contingency funds to pay directly the special education cooperatives if requested by the participating districts in accordance with section 10-7-451(3), MCA.

all funds, other than plant funds and current unrestricted funds may be spent and are appropriated continuing upon approval by the board of regents by July 1 of each year of the comprehensive program budget containing a detail of revenues and expenditures and anticipated fund balances of current funds, loan funds, and lowment funds. All movement of funds between the current unrestricted subfund and the designated subfund entities shall be clearly identified in the state budgeting and accounting system.

Programs for the university budgets include instruction, organized research, public service, academic support, student services, institutional support, and operation and maintenance of plant.

Included within other appropriated funds to the six institutions is the sum of \$13,074,000 in fiscal 1984 and \$1,746,000 in fiscal 1985 from revenues generated under the provisions of Chapter 582, Laws of 1979.

MESSAGES FROM THE GOVERNOR

The Honorable Dan Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

March 22, 1983

Dear Mr. Speaker:

This is to inform you that I have signed the following bills this date:

House bills 51, 84, 131, 422, 448, 452, 487, 502, and 672.

Sincerely,

Ted Schwinden
Governor

March 22, 1983

The Honorable Stan Stephens
President of the Senate
State Capitol
Helena, Montana 59620

The Honorable Daniel Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

Dear Senator Stephens and Representative Kemmis:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 205, "AN ACT REVISING THE DISCRETIONARY AUTHORITY OF THE HIGHWAY COMMISSION REGARDING PROJECTS FOR COMPETITIVE BIDDING; CLARIFYING THE EXCEPTION TO COMPETITIVE BIDDING; AMENDING SECTION 60-2-112, MCA," without my signature and recommend the attached amendment for the following reasons.

Under present law, the Montana Highway Commission has the authority to enter into contracts without competitive bids if it determines that the work can be done in a more efficient manner by means other than competitive bidding. The authority is granted to all levels of government, including cities and towns. House Bill No. 205, as passed, would change this authority by limiting the exemption to Commission/county contracts that result in lower total costs.

My amendment would create two situations in which the Commission could enter into contracts without competitive bidding. First, it would authorize the Commission to act as it can under current law except that it would now be required to specify in writing special circumstances that require a contract to be entered into without competitive bidding.

Second, my amendment would continue the provision of House Bill No. 205 that the Commission may enter into contracts without competitive bidding upon finding that the work can be done at a lower cost by letting contracts by other means, but that flexibility would be extended to other units of local government, as it is under current law.

I urge your concurrence in this amendment.

Governor's Proposed Amendment
to HB 205

1. Page 1, line 22 through line 12, page 2.

Strike: subsection (2) in its entirety

Insert: "(2) The Commission may let a contract by means other than competitive bidding if it determines that special circumstances so require. The Commission must specify the special circumstances in writing.

(3) The Commission may enter into contracts with units of local government for the construction of projects without competitive bidding if it finds that the work can be accomplished at lower total costs, including total cost of labor, materials, supplies, equipment usage, engineering, supervision, clerical and accounting services, administrative costs, and reasonable estimates of other costs attributable to the project."

The Honorable Daniel Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

Dear Senator Stephens and Representative Kemmis:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return Senate Bill No. 141, "AN ACT TO PROVIDE FOR VOTING BY ABSENTEE BALLOT AT LEAST 21 DAYS PRIOR TO AN ELECTION; AMENDING SECTION 13-13-222, MCA," without my signature and recommend the attached amendments for the following reasons.

As passed, S.B. No. 141 provides that ballots for absentee voting be printed and made available at least 21 days prior to an election.

Upon request of the Secretary of State and the Montana Association of Clerks and Recorders, I am proposing an amendment to S.B. No. 141. This bill as passed, conflicts with Title 20, which establishes 20 days prior to an election as the final date for filing trustee candidate petitions and setting of mill levies. With the 21 day requirement, it would be impossible for absentee ballots to contain school trustee candidates.

The amendment I am proposing will return S.B. No. 141 to its original language and require absentee ballots to be available at least 14 days prior to an election. The title is being amended to reflect the proposed statutory change.

I urge your concurrence in these amendments.

And, as amended, be concurred in. Report adopted.

SB 395, be concurred in. Report adopted.

Committee attached the following statement of intent:

Statement of Intent

SB 395

A statement of intent is required for SB 395 because it authorizes the Department of Social and Rehabilitation Services and the Department of Institutions to adopt rules for the certification of professional persons. It is the intent of SB 395 to have professional persons certified by the Department of Social and Rehabilitation Services and the Department of Institutions as qualified to provide those services.

The Legislature contemplates that certification of an individual as a professional person will be determined upon qualifications specified by rule. Those qualifications should be predicated upon education, experience, and skills. The specific qualifications will be those that are appropriate for an individual to carry out the professional person's responsibilities with respect to the developmentally disabled.

The rules should provide for the appropriate higher education degrees and the nature and degree of experience and skills that professional persons must possess. The rules should allow for varying combinations of education, experience, and skills that satisfy the professional person certification requirements. Among those degrees of higher education which are to be considered appropriate are psychology, social work, special education, or similar human service degrees.

The qualification set forth in the rules should be developed by reference to such nationally recognized standards as those of the Accreditation Council for Services for Mentally Retarded and other Developmentally Disabled persons (ACMRDD), Title XIX of the Social Security Act as amended, and federal regulations implementing that Act, and similar standards.

"15-30-201. Definitions. When used in 15-30-201 through 15-30-209, the following definitions apply:

(1) "Agricultural labor" includes all services performed on a farm or ranch in connection with cultivating the soil or in connection with raising or harvesting any agricultural or horticultural commodity, including the raising, shearing, feeding, caring for, training, and management of livestock, bees, poultry, and fur-bearing animals and wildlife.

(2) "Employee" includes an officer, employee, or elected public official of the United States, the state of Montana, or any political subdivision thereof or any agency or instrumentality of any one or more of the foregoing. The term "employee" also includes an officer of a corporation.

(3) "Employer" means the person for whom an individual performs or performed any service, of whatever nature, as the employee of such person; except that if the person for whom the individual performs or performed the service does not have control of the payment of the wages for such service, the term "employer" means the person having control of the payment of such wages.

(4) "Wages" means all remuneration (other than fees paid to a public official) for services performed by an employee for his employer, including the cash value of all remuneration paid in any medium other than cash, except that such term shall not include remuneration paid:

(a) for active service as a member of the armed forces of the United States;

(b) for agricultural labor as defined in subsection (1);

(c) for domestic service in a private home, a local college club, or local chapter of a college fraternity or sorority;

(d) for casual labor not in the course of the employer's trade or business performed in any calendar quarter by an employee unless the cash remuneration paid for such service is \$50 or more and such service is performed by an individual who is regularly employed by such employer to perform such service. For purposes of this subsection (4)(d), an individual is considered to be regularly employed by an employer during a calendar quarter only if:

(i) on each of some 24 days during such quarter such individual performs for such employer for some portion of the day service not in the course of the employer's trade or business;

(ii) such individual was regularly employed (as determined under subsection (4)(d)(i)) by such employer in the performance of such service during the preceding calendar quarter;

(e) for services by a citizen or resident of the United States for a foreign government or an international organization;

(f) for services performed by a duly ordained, commissioned, or licensed minister of a church in the exercise of his ministry or by a member of a religious order in the exercise of duties required by such order;

(g) (i) for services performed by an individual under the age of 18 in the delivery or distribution of newspapers or shopping news, not including delivery or distribution to any point for subsequent delivery or distribution; or

(ii) for services performed by an individual in and at the time of the sale of newspapers or magazines to ultimate consumers under an arrangement under which the newspapers or magazines are to be sold by him at a fixed price, his compensation being based on the retention of the excess of such price over the amount at which the newspapers or magazines are charged to him, whether or not he is guaranteed a minimum amount of compensation for such service or is entitled to be credited with the unsold newspapers or magazines turned back;

(h) for services not in the course of the employer's trade or business to the extent paid in any medium other than cash when such payments are in the form of lodgings or meals and such services are received by the employee at the request of and for the convenience of the employer;

(i) to or for an employee as a payment for or a contribution toward the cost of any group plan or program which benefits the employee, including but not limited to life insurance, hospitalization insurance for the employee or dependents, and employees' club activities;

(j) as tips, in accordance with section 3402(k) of the Internal Revenue Code of 1954, as amended and applicable on January 1, 1983."

Section 3. Contingent termination date. This act terminates if congress passes and the president approves legislation that removes the provision in section 6053(c)(3) of the Internal Revenue Code of 1954 that requires an employee allocation for tax purposes of 8% of gross receipts of the business for which the employee works. If this act terminates, it does so on the date of the final approval of the congressional legislation."

And, as amended, do pass. Report adopted.

SB 335, third reading copy, be amended as follows:

1. Title, line 8.

Following: "GROSS INCOME;"

Insert: "PROHIBITING CONSOLIDATED RETURNS FOR FINANCIAL INSTITUTIONS UNDER THE CORPORATE LICENSE TAX; REAFFIRMING THE INCLUSION OF STATE AND LOCAL BOND INCOME IN THE DEFINITION OF NET INCOME FOR CORPORATION LICENSE TAX PURPOSES;"

(1) A majority of the corporation license tax collected from financial institutions is paid to local government areas in which each financial institution is located. However, consolidated returns for financial institutions do not reflect the true tax attributable to each local government. In addition, consolidated returns would permit financial institutions to offset income against losses of nonfinancial institutions, thereby distorting the true income of each financial organization."

(2) In accordance with subsection (1), financial institutions are prohibited from filing consolidated returns under 15-31-141.

Section 3. Reaffirmation of bond income inclusion in definition of net income for corporation license tax purposes. Notwithstanding the provisions of any other law, the income from bonds or other obligations issued by any state or political subdivision of a state are included in gross and net income for purposes of the corporation license tax. Further, such income has been included in gross and net income since the effective date of Chapter 634, Laws of 1979, which law repealed the exclusion of such income from the tax base of the corporation license tax."

"46-18-201. Sentences that may be imposed. (1) Whenever a person has been found guilty of an offense upon a verdict or a plea of guilty, the court may:

(a) defer imposition of sentence, excepting sentences for driving under the influence of alcohol or drugs, for a period not exceeding 1 year for any misdemeanor or for a period not exceeding 3 years for any felony. The sentencing judge may impose upon the defendant any reasonable restrictions or conditions during the period of the deferred imposition. Such reasonable restrictions or conditions may include:

(i) jail base release;

(ii) jail time not exceeding ~~90~~ 180 days;

(iii) conditions for probation;

(iv) restitution;

(v) payment of the costs of confinement;

~~(v)~~(vi) payment of a fine as provided in 46-18-231;

~~(vi)~~(vii) payment of costs as provided in 46-18-232 and 46-18-233;

~~(vii)~~(viii) payment of costs of court appointed counsel as provided in 46-8-113;

~~(viii)~~(ix) community service;

~~(ix)~~(x) any other reasonable conditions considered necessary for rehabilitation or for the protection of society; or

~~(x)~~(xi) any combination of the above.

(b) suspend execution of sentence up to the maximum sentence allowed for the particular offense. The sentencing judge may impose on the defendant any reasonable restrictions or conditions during the period of suspended sentence. Such reasonable restrictions or conditions may include any of those listed in subsections (1)(a)(i) through (1)(a)~~(x)~~(xi).

(c) impose a fine as provided by law for the offense;

(d) require payment of costs as provided in 46-18-232 or payment of costs of court appointed counsel as provided in 46-8-113;

(e) commit the defendant to a correctional institution with or without a fine as provided by law for the offense;

- (f) impose any combination of subsections (1)(b) through (1)(e).
- (2) If any restrictions or conditions imposed under subsection (1)(a) or (1)(b) are violated, any elapsed time, except jail time, is not a credit against the sentence unless the court orders otherwise.
- (3) Except as provided in 46-18-222, the imposition or execution of the first 2 years of a sentence of imprisonment imposed under the following sections may not be deferred or suspended: 45-5-103(2), 45-5-202(2), 45-5-302(2), 45-5-303(2), 45-5-401(2), 45-5-503(2) and (3), 45-9-101(2) and (3), 45-9-102(3), and 45-9-103(2).
- (4) Except as provided in 46-18-222, the imposition or execution of the first 10 years of a sentence of imprisonment imposed under 45-5-102(2) may not be deferred or suspended.
- (5) Except as provided in 46-18-222, imposition of sentence in a felony case may not be deferred in the case of a defendant who has been convicted of a felony on a prior occasion whether or not the sentence was imposed, imposition of the sentence was deferred, or execution of the sentence was suspended.””

(1) Except as provided in subsections (2) ~~and~~ (3), ~~and~~ (4), no retail license may be issued pursuant to this code to any business or enterprise whose premises are within 600 feet of and on the same street as a building used exclusively as a church, synagogue, or other place of worship or as a school other than a commercially operated or postsecondary school. This distance shall be measured in a straight line from the center of the nearest entrance of the place of worship or school to the nearest entrance of the licensee's premises. This section is a limitation upon the department's licensing authority.

(2) However, the department may renew a license for any establishment located in violation of this section if the licensee does not relocate his entrances any closer than the existing entrances and if the establishment:

(a) was located on the site before the place of worship or school opened; or

(b) was located in a bona fide hotel, restaurant, or fraternal organization building at the site since January 1, 1937.

(3) Subsection (1) does not apply to licenses for the sale of beer, table wine, or both in the original package for off-premises consumption.

(4) The governing body of a county, for that area of the county not within the corporate limits of a city or town, or the governing body of an incorporated city or town may provide general exceptions that would reduce or eliminate the 600-foot rule in subsection (1). The exception must be adopted by ordinance, except if a county does not have general purpose ordinance making powers it must be adopted by resolution. The ordinance or resolution must specify the reason why an exception is necessary and the distance in feet that applies within the county or the city or town limits.”

MOTIONS

Representative Vincent moved that the following special rules be adopted for the purpose of debate on HB 447, second reading this day. Motion carried.

1. The Appropriations Committee chairman, in presenting the bill, will not be subject to the five minute speaking limitation.

2. Each Appropriation Subcommittee chairman will fully explain his or her portion of the bill without questions or amendments being offered until the presentation by the chairman is complete. Chairmen will not be subject to the five minute speaking limitation.

3. After the presentation by the subcommittee chairman, the respective section of the bill will be opened for debate, questions and amendments.

4. Following completion of the debate on each section it will be closed and not be reopened except by majority vote.

5. When a member moves to reopen a section for amendment, only the amendment of that member will be entertained. Another member wishing to amend the same section will have to make a separate motion to reopen the section.

6. Debate on the motion to reopen a section is limited to the question of reopening the section. The amendment itself cannot be debated at that time. This does not prohibit the member from explaining the amendment to be considered.

7. Staff of the Legislative Fiscal Analyst may sit on the floor to advise subcommittee chairmen.

Representative Vincent moved that the rules be temporarily suspended to allow HB 447, should it pass second reading, to be heard on third reading this same day. Motion carried.

Representative Vincent moved that HB 1 be taken from printing and referred to the Select Committee on Economic Development. Motion carried.

Representative Asay moved that HB 914 be taken from printing and referred to the Committee on Appropriations. Motion carried.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

Representative Vincent moved that the House resolve itself into a Committee of the Whole, for the consideration of business on second reading. Motion carried. Representative Daily in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business on second reading, recommend as follows:

Representatives D. Brown, Sales, and Shontz excused at this time.

Following: line 24

Insert: "Revenue generated from fees charged hazardous waste producers must equal at least \$21,828 in fiscal 1984 and \$21,194 in

fiscal 1985. If these amounts are not collected in either fiscal year, operation of the hazardous waste program will be returned to the Environmental Protection Agency. All fees collected shall be deposited in the general fund.

Federal funds received for radiation projects may be added by budget amendment.

Item 2c includes \$30,000 general fund for the biennium for monitoring air quality in the Scobey area and can be used only when Saskatchewan Power Units one and two are both at full operating capacity.

The department will continue grants to counties for air quality activities at the level of \$95,000 in each fiscal year.

The subdivision bureau will be operated solely from fees collected for subdivision review.

In item 3b, \$48,500 from fee revenues is authorized only for equipment purchases in the 1985 biennium.

In item 4c, \$77,500 is allocated for the hypertension program in fiscal 1985. If the federal requirement for hypertension is less than \$77,500 in fiscal 1985, all remaining funds from the hypertension allocation shall be distributed to the county for emergency medical services training activities.

Included in the appropriation in item 6a is \$138,904 of federal block grant carryover funds. The department is responsible for obtaining the required match for these funds. If no match is obtained, the carryover will revert to the federal government.

In item 9, if federal funds are less than \$125,892 in fiscal 1985, this program will cease and any remaining general fund will revert.

The total appropriations for the department include \$1,546,949 in fiscal 1984 and \$1,407,745 in fiscal 1985 from the Maternal and Child Health Block Grant. To the extent revenues from this grant exceed those amounts, it shall be distributed to the counties. To the extent revenues from this grant are less than these amounts, distributions to the counties shall be reduced."

4. Statement of intent.

Strike: Senate statement of intent in its entirety

Insert: "Section 1. It is the specific intent of the legislature that the Montana Agricultural Loan Authority should operate in the same manner that the Iowa Loan Authority has operated for the last 13 months in the state of Iowa. Each loan is processed individually by a bank or other financial institution. The loans can be for farmland acquisition or for purchase or construction of depreciable property (farm equipment or farm buildings). The bank or other financial institution initially approves the loan and agrees to accept the credit risk. It then sends an application to the Montana Agricultural Loan Authority in the exact amount and the money is made available to fund the loan.

Thus, the entire transaction is treated identical with any other bank loan to a farmer except that the bank or other financial institution is able

to obtain municipal bond tax exemption for the interest income. The bank or other financial institution loan is, in effect, converted to a municipal bond and held in the bank's municipal bond tax-exempt portfolio.

Section 2. It is the intent of the legislature that the Montana Agricultural Loan Authority created by this bill will not make direct loans. They will acquire existing loans already made and approved by a local financial institution only. It is also the specific intent of the legislature that the state of Montana would have no financial risk on any of these loans. Whoever purchases the bonds will take the full risk that the loan that secures payment of each bond will be repaid.

Section 3. It is the specific intent of the legislature that the Montana Agricultural Loan Authority would charge a one time fee for issuing the bonds which fee shall not exceed the maximum amount authorized by the federal internal revenue code with regard to tax-exempt bond issues. It is the intent of the legislature that the fee would be sufficient to pay the cost of bond counsel to review and approve each bond issue and all other administrative costs of the Montana Agricultural Loan Authority.

Section 4. This Statement of Intent is required by the rulemaking authority granted to the Montana Agricultural Loan Authority in Section 4 and Section 8. Further, rules are contemplated for determining the procedure for granting approval by the Montana Agricultural Loan Authority and the procedure for verification by the Department of Revenue under Section 23.

Section 5. It is the intent of the legislature that the Montana Agricultural Loan Authority adopt rules for the orderly handling and processing of applications under the authority granted in this Act to issue bonds secured by farm loans. The rules under Section 8 are intended to be sufficiently specific to allow for an objective determination by the Montana Agricultural Loan Authority of which applicants should receive approval of farm acquisition bonds from the authority. The same criteria should be established by rule for depreciable property loans with special emphasis on the need of the applicant and the applicant's possible prospects for success.

Section 6. The criteria for determining a bona fide beginning farmer in connection with the approval of the tax credit application by retiring farmers as provided in Section 23 shall be established by rule. The same requirements for establishing eligibility under Section 8 should be used under Section 23."

And, as amended, be concurred in. Report adopted.

Committee attached the following statement of intent:

Statement of Intent

HB 1

It is the intent of the legislature that all programs, councils, and com-
mittees authorized under [this act] shall give special attention and consid-
eration to those sectors of the economy and business which:

- enhance local ownership and control of businesses by Montana resi-
dents;

- provide jobs that will be substantially filled by current Montana residents as opposed to providing jobs that will be filled by nonresidents coming into the state to fill such jobs;
- maintain and improve a clean and healthful environment, with emphasis on conservation, renewable resources, and alternative energy production;
- benefit small and medium-sized businesses as defined by rules adopted by the economic development board;
- encourage or benefit the processing, refining, marketing, and innovative use and promotion of Montana's agricultural products;
- pay the prevailing wage for the occupation; and
- have demonstrable affirmative action plans for employing veterans, women, minorities, and handicapped people.

All committees and councils authorized or funded by this act shall hold public hearings across the state to explain their activities and listen to the concerns of the local citizenry. Prior public notice is required for all regular meetings, reports, etc.

The councils, committees, and programs established in [this act] shall reflect a balance of varying economic perspectives, actively investigate and seek out innovative economic development programs, and offer a diverse array of options and strategies for public comment before adopting recommendations.

It is the intent of the legislature that the Governor's Council on Economic Development will be created according to the provisions of 2-15-122, and that the council shall contain representatives from the following sectors of the economy: natural resources extraction and processing industries, small business, tourism, agriculture, education, conservationists, public interest, financial, professional, economic development, and organized labor. With regard to representatives of small business, particular emphasis shall be given to small manufacturing enterprises, businesses established around the general preferences listed below, and businesses with nontraditional ownership individuals, in particular women, low-income, and minorities. The council shall be broadly represented with no more than 2 representatives from each of the 10 sectors identified above, except that the small business sector shall be allocated 4 representatives. No more than 10 members may be residents of the same congressional district.

If the chairman or vice-chairman of one of the permanent legislative agencies sits on the legislative management improvement committee by virtue of holding one of the legislative offices listed, the members of the permanent legislative agency shall select one of their members of the same political party to serve on the committee.

(3) The committee shall elect one of its members as chairman and such other officers as it considers necessary.

Section 2. Duties of the legislative management improvement committee. (1) The legislative management improvement committee shall develop:

(a) a plan for the provision of uniform personnel policies among the legislative agencies including procedures which result in equitable compensation for legislative employees;

(b) a plan for uniform development and submission of budget proposals for the legislative branch; and

(c) plans or recommendations considered appropriate by the committee for improving coordination, efficiency, and effectiveness of the legislature and its staff services.

(2) The committee shall submit recommendations requiring changes in the rules of the legislature or statutes to the legislature for its approval prior to implementation.

Section 3. Duties of legislative agencies. The legislative council, legislative audit committee, legislative finance committee, and the environmental quality council shall cooperate with and assist the legislative management improvement committee in performing its duties.

Section 4. Legislative management improvement committee — compensation and expenses. Members of the legislative management improvement committee are entitled to compensation and expenses as provided in 5-2-302 for their work on the committee. Leadership members of the committee shall be paid from money available in the appropriation to the legislature for leadership travel. Legislative agency members of the committee shall be paid from money appropriated to the several agencies.

Section 5. Effective date and termination date. This act is effective July 1, 1983 and terminates April 20, 1985."

And, as amended, be concurred in. Report adopted.

MESSAGES FROM THE GOVERNOR

The Honorable Dan Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

March 28, 1983

Dear Mr. Speaker:

This is to inform you that I have signed the following bills this date:

House bills 200, 203, 207, 247, 269, 270, 324, 337, 436, 505, 556, 568, 696, and 766.

Sincerely,

Ted Schwinden
Governor

The Honorable Stan Stephens
President of the Senate
State Capitol
Helena, Montana 59620

March 28, 1983

The Honorable Daniel Kemmis
Speaker of the House
State Capitol
Helena, Montana 59620

Dear Senator Stephens and Representative Kemmis:

In accordance with the power vested in me as Governor by the Constitution and the laws of the State of Montana, I hereby return House Bill No. 670, "AN ACT TO INCREASE THE FEES FOR LICENSING OF WEIGHING DEVICES AND TO PROVIDE A LATE RENEWAL FEE; AMENDING SECTION 30-12-102, MCA; AND PROVIDING A DELAYED EFFECTIVE DATE" without my signature and recommend the attached amendments for the following reasons.

As passed Section 1(6) of HB 670 requires the payment of a late renewal fee before the July 1 due date. The amendment I am proposing

to Section 1(6), clarifies that the "late renewal fee" only becomes due after the July 1 renewal fee payment date has passed.

The other amendments conform language in the bill to the title and further provide that the weighing device may be placed back in service once the renewal fee and "late renewal fee" have been paid.

I urge your concurrence in this amendment.

Governor's Proposed Amendments
to HB 670

Strike: everything following the enacting clause

Insert: "Section 1. Purpose. It is the purpose of [sections 1 through 9] to establish a planning framework for the development of a natural resource information system and to establish an ongoing Montana natural heritage program.

Section 2. Definitions. As used in [sections 1 through 8], the following definitions apply:

(1) "Committee" means the natural resource data system advisory committee created by [section 3].

(2) "Department" means the department of administration created by 2-15-1001.

(3) "Natural heritage program" means a program of information acquisition, storage, and retrieval for data relating to the flora, fauna, and biological community types of Montana.

(4) "Principal data source agencies" means any of the following state agencies: the department of natural resources and conservation, the department of fish, wildlife, and parks, the department of state lands, the department of health and environmental sciences, the department of agriculture, the department of highways, the state historical society, and the Montana university system.

Section 3. Natural resource data system advisory committee. (1) There is a natural resource data system advisory committee consisting of an employee of the environmental quality council and of each principal data source agency appointed by the head of the respective state agency, and by the board of regents of higher education for the Montana university system.

(2) The committee shall examine the following matters and make recommendations to the department head concerning:

(a) criteria for the categories and types of data to be collected for a natural resource information system;

(b) criteria for the format of data collection;

- (c) identification of existing sources of relevant data in the public sector;
- (d) identification of data acquisition, storage, and retrieval methodologies that are economical and efficient, that minimize or eliminate the duplication of data bases, and that utilize computer networking;
- (e) probable costs to agencies furnishing required data and probable costs of managing the data;
- (f) probable benefits to be realized by the establishment of a natural resource information system;
- (g) operation of the Montana natural heritage program; and
- (h) other items the committee considers of importance to the establishment of a natural resource information system.

(3) The department shall provide staff support to the committee, within the limits of the department's available resources.

(4) Committee members while engaged in committee business are entitled to be reimbursed for travel expenses as provided for in 2-18-501 through 2-18-503. These expenses shall be borne by the agency employing the member. Each member serves at the pleasure of the respective appointing authority. The committee shall establish its own format for the conduct of meetings.

Section 4. Natural resource information system. (1) The department, in consultation with the committee, shall establish a planning framework for the implementation of a natural resource information system. This system is to be a comprehensive program for the acquisition, storage, and retrieval of existing data relating to the natural resources of Montana.

(2) The department shall give attention to the factors listed in subsection (2) of [section 3] and shall prepare any legislation necessary to implement the system.

(3) It is not intended that the system shall require fieldwork or literature searches to produce data. The system is intended to facilitate the management of data collected by state agencies in the normal course of their operations.

Section 5. Natural heritage program. (1) There is a Montana natural heritage program to be operated by the department. In order to establish the program, the department may contract with an independent contractor for a period not to exceed 2 years.

(2) The Montana natural heritage program shall be designed to be compatible with similar programs in other states. This program is to be an initial step in the formulation of the comprehensive natural resource information system referred to in [section 4] and is to be considered a part of the system.

Section 6. Interagency cooperation. (1) State agencies shall cooperate with the department and the committee in the planning of the natural resource information system.

(2) Within the limits of available resources, state agencies shall provide data requested by the department for purposes of the Montana natural heritage program. If an agency does not possess

requested data or is unable to locate requested data, the agency shall inform the department. It is not necessary for an agency to conduct fieldwork or literature searches to obtain requested data.

Section 7. Availability of information. (1) Except as provided in subsection (3), the department shall make information from the natural resource information system available to local, state, and federal agencies and to the general public.

(2) The department may establish a fee system for information requests in order to cover the costs of providing requested information.

(3) If necessary, the department shall establish procedures to protect confidential information in the possession of state agencies.

Section 8. Environmental quality council to monitor activities of department and committee. The environmental quality council shall monitor and evaluate the activities of the department and the committee under [sections 1 through 7] and shall report its findings and recommendations to the legislature by November 1, 1984.

Section 9. Appropriation and funding. (1) There is appropriated from the general fund the amount of \$10,000 for the biennium ending June 30, 1985, to the department of administration for the establishment of the Montana natural heritage program and for support services to the natural resource data system advisory committee.

(2) The department of administration may apply for and may receive funding from private and public sources for the purposes of [sections 1 through 8] and any such funds are appropriated to the department for such purposes."

HB 920 - That HB 920, second reading copy, have the following statement of intent attached:

Statement of Intent
HB 920

Under section 4, the director of the state lottery must establish and operate a state lottery and adopt policies and rules regarding:

- 1) the operations of the lottery director and his staff;
- 2) the price, number and size of tickets;
- 3) the drawing of lottery winners;
- 4) lottery tickets or chance sales and ticket sales agents;
- 5) the immediate payment of small prizes; and
- 6) other matters relating to the successful operation of the lottery.

A state lottery is primarily a business operation and has as a purpose the earning of net revenue. The successful operation of a state lottery, as shown by the experience of other state lotteries, depends to a large degree on the ability of a lottery staff well-versed in business matters to operate the lottery as a business and without undue constraint by statute or administrative rule.

The success of a lottery also depends on the operation of the lottery within a statutory framework ensuring the integrity of the staff and all phases of the operation of the lottery and the avoidance of even the appearance of any illegalities or conflicts of interest.

To these ends, it is contemplated that the director will be conversant with the types of administrative rules necessary to the successful operation of the lottery and will adopt rules ensuring the integrity and success of the lottery.

In accordance with the theory that a lottery is primarily a business, it is contemplated that the rules will change or allow changes in the operation of the lottery consistent with statutes as new business techniques and ideas, new games and prizes, better outlets for ticket sales, and better management techniques are discovered. The lottery should include a large number of small prizes.

Statement of intent passed as follows:

Ayes: Abrams, Addy, Asay, Bachini, Bardanouve, Bengtson, Bergene, Bertelsen, Bliss, Brand, D. Brown, J.
